To All Members of the University Community:

The University of Central Florida is a community brought together by the tenets of the UCF Creed: Integrity, Scholarship, Community, Creativity, and Excellence. These are the values that guide our conduct, performance, and decisions. To be successful at UCF, there is an expectation that you embrace and promote these core values in everything you do as a sign of your membership in the UCF community.

Whether you are a new or continuing undergraduate, graduate or professional student, there are certain responsibilities that you must uphold as a member of our community. The Golden Rule is a compilation of policies and procedures from different university areas intended to define your rights and responsibilities as a student and provide you with a better understanding of your role as a member of the UCF community.

The Golden Rule is published once a year, but can be revised at any time to reflect new and modified information deemed critical by the university. Changes will be communicated through online resources and other means, at which time the revisions will supersede published information.

The Office of Student Rights and Responsibilities (OSRR) within the Division of Student Development and Enrollment Services (SDES) is delegated the responsibility for reviewing, assembling, and communicating information included in The Golden Rule. Students are given the opportunity to influence the rules that they are expected to adhere through the Golden Rule Review Committee.

UCF values diversity and inclusion of all in our community. Accordingly, discrimination on the basis of race, sex, national origin, religion, age, disability, marital status, or veteran’s status is prohibited by federal and/or state law. It is our policy to treat all people with dignity and respect, without regard to race, creed, color, national origin, religion, sex, age, disability, marital status, sexual orientation, gender expression, gender identity, veteran status, or political opinions and affiliations.

For more information or further clarification, please contact OSRR at 407-823-4638, visit their website, http://osrr.sdes.ucf.edu for the most current version of The Golden Rule or email them at osrr@ucf.edu.

Go Knights! Charge ON!

Maribeth Ehasz, Ph.D.
Vice President
Student Development and Enrollment Services

UCF-5.006 Student Rights and Responsibilities

(1) **Student Rights.** Upon enrollment, students are entitled to the following freedoms and rights, provided the exercise thereof is accomplished in accordance with University procedures and does not result in disruption or disturbance as elsewhere described in the Regulations.

   (a) Participation in Student Government Association and its elective process.

   (b) Membership in Student Organizations.

   (c) Freedom of expression. The basic freedoms of students to hear, write, distribute, and act upon a variety of thoughts and beliefs are guaranteed. Freedom of expression carries with it the responsibility for seeing that the essential order of the University is preserved.

   (d) Freedom to hold public forums. The University desires to create a spirit of free inquiry and to promote the timely discussion of a wide variety of issues, provided the views expressed are stated openly and are subject to critical evaluation. Restraints on free inquiry are held to a minimum and are consistent with preserving an organized society in which peaceful, democratic means for change are available. Guest lecturers or off-campus speakers sponsored by student groups may appear on the UCF campus following arrangements with the designated University authority for such appearances.

   (e) Freedom to hear, write, distribute, and act upon a variety of thoughts and beliefs. This freedom is subject to the following regulations:

      1. Written materials identified by authorship and sponsorship may be sold or distributed on campus within the guidelines of propriety and responsible journalism as established and supervised by the University Board of Publications which is appointed by the President or designee. The distribution of such material, as is arranged by the Director of Office of Student Involvement, is permissible for student organizations provided steps have been taken to preserve the orderliness of the campus.

      2. Non-university or off-campus printed materials shall not be distributed or circulated by students or student organizations without first being stamped by the Office of Student Involvement.
3. The distribution of materials or circulation of petitions to captive
audiences such as those in classrooms, at registration, in study areas or in
residential units is not allowed without prior permission. Such permission
may be requested from the appropriate university official.

(f) Peaceful assembly. Student gatherings must neither disrupt or interfere with the
orderly educational operation of the institution, nor violate federal, state or local
laws, or University regulations.

(g) Fair and impartial hearing. These matters shall include, but not be limited to:
1. Disciplinary proceedings involving alleged violation of academic and
nonacademic regulations.
2. Refunds and charges. The status of a student charged with a violation of
University regulations shall not be affected pending final disposition of the
charges except in the case of administrative action. For specific
procedures and rights of students during the student conduct process, see
later section entitled “Student Conduct Review Process.”

(h) Confidentiality of student records. Each University office and agency which
generates, collects, and disseminates information on students must follow the
guidelines for confidentiality of those records in their possession. For further
information see “Student Record Guidelines.”

(2) Student Responsibilities. A student at the University is deemed to have given his or her
consent to the policies of the University and the Florida Board of Governors and to the laws of
the State of Florida. Each student is responsible for reviewing the rules and regulations of the
University and for abiding by them.

(3) Smoking. While on UCF property, students will uphold the smoke-free campus policy
(http://smokefree.sdes.ucf.edu/) to ensure a healthy and clean environment for everyone.
Smoking of any kind is prohibited in all facilities and areas of the UCF campus.

(4) Alcohol Emergencies. The University of Central Florida highly encourages students and
student organizations to call for medical assistance whenever an individual experiences severe
intoxication or serious injury after consuming alcohol. Students and student organizations may
be reluctant to call for help for themselves or others due to potential involvement from the UCF
Police Department or the Office of Student Conduct. Due to the serious or life-threatening nature
of these medical emergencies, the University of Central Florida urges students to contact emergency medical services or the UCF police department if alcohol-related medical emergencies arise. The university’s primary goal is to create a safe environment for its students. Procedures and expectations regarding these incidents have been outlined in the Office of Student Conduct Rules of Conduct Alcoholic Beverages section and the Organizational Rules of Conduct section.

(5) Student Care Services. In order to provide comprehensive and consistent care for students experiencing academic, financial or personal challenges, Student Care Services (SCS), under Student Rights and Responsibilities provides support to students identified as needing additional on-campus or off-campus resources. Care Managers for Student Care Services review referrals from students, faculty, staff and UCF community members who are concerned about behavior exhibited by a student. The goal of Student Care Services is to intervene and support the student before a situation reaches crisis level.

(a.) Care Managers will reach out to the student to assess what resources would be beneficial and collaboratively develop an action plan to reduce obstacles affecting success at UCF. Care Managers will assist the student in coordinating with campus resources currently being utilized and then will work with the student to monitor progress. Depending upon the circumstances, the referring person may receive feedback about the student’s action plan.

(b.) In order to support student success, Care Managers may utilize additional campus resources to assist the student. This may include collaboration with the Student of Concern Team (SOC Team), a multidisciplinary group that reviews potential concerns presented by the UCF community regarding student behavior. The SOC Team offers additional knowledge of university resources and procedures and may make further recommendations regarding action plan items for student success. Students of concern are presented to the team at the discretion of Student Care Services or the Director of Student Rights and Responsibilities.

(c.) Care Managers have additional campus support systems in place to assess students engaging in behavior that may pose a risk to themselves or others. This includes the University Crisis Team, Mandated Assessment Procedure, and Involuntary Withdrawal Procedure.
(6) **University Crisis Team.** The University may refer students who are viewed to be engaging in behavior(s) that poses risk to themselves or others to the Crisis Team for possible action. Such behaviors include, but are not limited to: suicidal behavior, self-injury, threats to harm others, disruptive behavior, disordered eating, and endangerment to the community.

(a) The Director of OSRR or designee will convene the team members in order to review each case and decide on the best course of action. The team is composed of the following persons and/or their designee(s): Student Health Services Director, Counseling and Psychological Services Director, Chief of UCF Police Department, Director of the Office of Student Rights and Responsibilities, Student Care Services Assistant Director, Office of Student Conduct Director, Associate Dean for Academic Services, Senior Associate Vice President & Dean of Students, and the Director of Housing and Residence Life.

(b) Various campus units may enlist the services of the team. These include but are not limited to Housing and Residence Life, Student Health Services, Student Accessibility Services, Counseling and Psychological Services, Recreation and Wellness Center, Wellness and Health Promotion Services, Office of Fraternity and Sorority Life, Athletics, Alcohol and Other Drug Intervention Services, University Police, and the Office of Student Conduct. In the event that a student’s behavior raises concern about risk of danger to others, the involved unit will contact the Director of OSRR or designee. The Director of OSRR or designee will then contact the University Crisis Team members to convene a meeting in order to review the case and decide on the best course of action.

(c) The role of the Student Health Services Director and the Counseling and Psychological Services Director on the Crisis Team will be consultative in nature. When possible, the Student Health Services Director and the Counseling and Psychological Services Director will not confer on a case for which they are (or have been) serving in a direct provider relationship with the involved student. When the involved student has been a client at UCF Counseling and Psychological Services, the Counseling and Psychological Services Director or designee will maintain the confidentiality of the student’s clinical information and
will make recommendations for action based solely upon the information provided in the meeting.

(7) **Mandated Assessment Procedure.** This University procedure is established for behaviors or actions that result in hospitalization from imminent danger to self or others via the Baker Act (F.S. 394.463) or Marchman Act (Chapter 397, Florida Statutes), significant acts or threats of violence to others, chronic eating disorders, dramatic and/or expansive displays of self-mutilation, behaviors that are significantly disruptive to the UCF community and/or diminish the ability of a student to care for oneself. Whenever the UCF Police provide transportation of a UCF student to the hospital for involuntary examination, the police will file a report with the OSRR.

(a.) Once a report is received, the Assistant Director of Student Care Services or designee may notify and consult with designated representatives of UCF Counseling and Psychological Services or Student Health Services and/or the University Crisis Team to review the severity of the student’s behavior for potential of continued risk to the campus community. A determination will be made whether a mandated assessment and/or physical assessment is needed to help the student in their specific situation or whether some other more stringent, protective action is appropriate to protect both the welfare of the student and the community. The mandated assessment session(s) may be used to evaluate the student’s risk of harm to self or others, and to take appropriate actions to ensure the safety of the student or others if risk is present. In addition, the mandated assessment session(s) are designed to assist students in developing a safety and/or well-being plan and provide students with educational resources. A member of Student Care Services will contact the student in a timely manner and require an initial meeting between a SCS representative and the student to inform the student of their rights and responsibilities regarding the incident.

(b.) All students identified as threatening self-harm or having attempted suicide must complete a mandated assessment with a licensed mental health professional and/or a physical assessment with a licensed medical provider. Examples of a licensed mental health professional include a UCF Student Health Services psychiatrist, a UCF Counseling and Psychological Services clinician, or a
community based counselor or psychiatrist of the student’s choice. Before the mandated assessment is conducted, the Assistant Director of Student Care Services or designee will first attempt to obtain an Authorization to Release/Exchange Confidential Information form from the student to provide the licensed mental health professional and/or licensed medical health professional conducting the assessment with background information relevant to the reason for the mandated assessment. The Director of OSRR or designee will require proof of participation for the mandated assessment with a licensed mental health professional and/or proof of a physical assessment with an appropriate medical provider. The student must meet with Student Care Services within two weeks (10 business days) to complete a follow up appointment. Student must provide proof of assessment within four weeks (20 business days) or prior to return to the university (in the event a student withdraws for the remainder of the semester or is placed on Medical Withdrawal). Failure to comply may result in disciplinary action or the convening of the University Crisis Team to consider the initiation of the Involuntary Withdrawal Procedure.

(c.) In cases where more protective action is needed based on more severe behavior/conduct (e.g., behavior endangering others, threats to harm others, behavior significantly disruptive to the UCF community), the Director of OSRR or designee may initiate one or both of the following:

1. Interim Suspension followed by initiating the Student Conduct Review process;
2. Convening of the University Crisis Team to consider the initiation of the Involuntary Withdrawal Procedure.

(8) Involuntary Withdrawal Procedure. A student who poses a serious danger of imminent or serious physical harm at the University may be involuntarily withdrawn from the University by the Director of OSRR or designee upon appropriate notification and consultation from the University Crisis Team and the Senior Associate Vice President & Dean of Students or designee.

(a) This notification is received in the form of an incident report to the Office of Student Rights & Responsibilities, or a psychiatric evaluation filed with the UCF Police Department. The student will be withdrawn if the Director of OSRR or
designee concludes, on the basis of preponderance of evidence that the student engages or threatens to engage in behavior that may:

1. Pose a significant danger of causing harm;
2. Cause significant property damage or interferes with the educational environment of others at the university; or
3. Demonstrates an inability to care for his/her daily physical or mental wellbeing without assistance and has failed to secure such assistance.

(b) The Director of OSRR or designee reserves the right to impose an immediate and interim withdrawal (the equivalent of an interim suspension), prior to the review of all information, if the Director of OSRR or designee concludes that the student poses a threat to the welfare of any individual, the student body, or any part of the University or its community. In such cases, there will be a scheduling of a hearing within three (3) business days to determine the status of interim withdrawal. At this hearing, the student shall be offered an opportunity to provide documentation from an appropriate healthcare provider of their choice who has conducted a proper assessment.

(c) The Director of OSRR or designee will call a meeting of the University Crisis Team at the earliest possible date. The student may be present at this meeting and may present information in support of his/her case. Following the student’s presentation, the team shall convene in executive session. At the conclusion of this proceeding, the team shall make a recommendation to the Director of OSRR or designee whether to withdraw the student, reinstate the student, or reinstate the student with conditions.

(d) The Director of OSRR or designee will make a final decision regarding the student’s enrollment status and notify the student in writing within 24 hours of the Crisis Team’s recommendation.

(e) A student subject to involuntary withdrawal is entitled to the following:
1. Notice of intent to remove the student pursuant to this policy stating the reasons for the action.
2. The opportunity to examine the psychiatric or other evaluations provided to the team and to discuss them.
3. The opportunity to present relevant information for consideration of his/her case personally, or by a health professional working with that student, if the student is not capable of self-representation.

4. The opportunity to have an advisor of the student’s own choice accompany the student.

5. The right to appeal.

(f) In the event a student disagrees with the decision of the Director of OSRR or designee, the student may appeal the finding. The appeal must be made in writing to the Vice President for SDES, or designee, within three (3) business days after the date of the notification to the student of the decision. The Vice President of SDES or designee, shall, within three (3) business days, sustain the initial decision or remand the case to the Crisis Team for re-consideration. The Vice President’s decision will be considered final agency action.

(g) Upon being withdrawn, the student may no longer enroll in classes, may not be an active member of a registered Student Organization, may no longer use University facilities, must vacate University owned housing, may no longer be permitted on University property, may not be employed by UCF, and may be entitled to whatever refunds of tuition, fees, and room and board charges as would be appropriate given the timing of the withdrawal.

(h) Students who are involuntarily withdrawn from the University shall have a hold placed on their records, which will prevent them from being readmitted or reenrolled at the institution except as stated in this paragraph. A student may request readmission or reenrollment at the University and provide the Director of OSRR or designee with documentation from an appropriate healthcare provider of their choice who has conducted a proper assessment of the student and concluded that the student does not pose a serious threat to others. In cases where the Director of OSRR or designee has imposed other conditions for readmission, it is the responsibility of the student to provide documentation of compliance with such conditions.

(i) A student who is not involuntarily withdrawn may be subject to conditions to continue enrollment at the University. In such cases, the student will be provided
with a written summary of conditions and must meet all conditions in order to maintain student status. A student who fails to meet such conditions will be subject to involuntary withdrawal by the Director of the Office of Student Rights & Responsibilities or designee, or will be subject to charges through the University’s Student Conduct Review Process for failure to comply.

(j) The current medical withdrawal process should not be used to handle withdrawals related to mental health issues where an imminent threat to the community is evident or a violation of the Rules of Conduct has allegedly occurred. However, a student could choose to pursue a medical withdrawal within six (6) months of the end of the semester. As a general principle, the regular Student Conduct Review Process and its policies and practices are preferred in serious instances of misconduct, without regard to whether there might be mental health issues present. The procedures and specifications given in this regulation are to be employed in those extraordinary situations in which, in the judgment of the appropriate administrative officers, the regular Student Conduct Review Process is not applicable or cannot be applied.

(9) Student Title IX Resources and Statement of Policy on Sexual Misconduct

(a) The University of Central Florida is committed to fostering an environment in which all members of our campus community are safe, secure, and free from sexual misconduct, including but not limited to, sexual harassment, sexual assault, sex related stalking, dating violence, and domestic violence.

(b) Our community expects that all interpersonal relationships and interactions – especially those of an intimate nature – be grounded upon mutual respect and open communication. When learning of conduct or behavior that may not meet these standards, community members are expected to take an active role in promoting the inherent dignity of all individuals.

(c) Federal law, specifically Title IX of the Education Amendments of 1972 (Title IX), prohibits discrimination on the basis of sex in education programs or activities. Title IX prohibits sex discrimination against students, staff members and faculty members – which includes acts of sexual misconduct such as sexual harassment, sexual violence, dating violence, domestic violence, and sex-related
stalking. Title IX also prohibits retaliation for asserting or otherwise participating in claims of sex discrimination. A closely related federal law, Section 304 of the Violence against Women Act, requires universities to increase transparency about the scope of sex-related violence on campus, guarantee victims enhanced rights, provide for standards in institutional conduct proceedings, and provide campus community wide prevention education and awareness programming.

(d) The University of Central Florida encourages any faculty, staff, student or non-student who thinks that they have been subjected by Sexual Misconduct another student, member of the faculty or staff, or campus visitor or contractor, to immediately report the incident.

(e) LGBTQ Statement: UCF strives to promote the safety and well-being of all students and employees. This information is applicable to students and employees regardless of their sexual orientation, gender identity, or gender expression.

(f) Rights of the Complainant and the Respondent. A student or student organization charged with Sexual Misconduct (“Respondent”) and a student alleging Sexual Misconduct (“Complainant”) have the following rights in the student conduct review process where there is an administrative or panel hearing. These rights are in addition to the conduct review procedures outlined in UCF-5.009 (students) and UCF-5.013 (student organizations). Administrative hearing officers and panel members who hear cases of Sexual Misconduct – including sexual assault, sexual harassment, dating violence, domestic violence and sex related stalking – receive training on how to conduct fair and impartial hearings for these types of cases. The following provisions are designed to provide a fair process for both parties while also ensuring complainant’s protections under Title IX and Campus SaVE Act. The University shall provide notice of these rights to the Complainant and the Respondent at least five (5) business days before a formal disciplinary hearing is conducted through the University student conduct review process. Complainant and Respondent rights include the following.

1. Both the complainant and respondent are permitted to have an advisor or support person accompany them throughout the entire process. This person will act as a support person or advisor but will not represent the
complainant or respondent or address witnesses, panel, administrator or any other party or otherwise directly participate in the hearing. A complainant or respondent shall be notified of the available assistance at the University of Central Florida.

2. Both the complainant and respondent will be afforded similar and timely access to any information that will be used during the Student Conduct Review Process.

3. Both the complainant and respondent will receive notice to attend a preliminary conference meeting with the Office of Student Conduct and be informed of the available resolution options in the Student Conduct Review Process.

4. Both the complainant and respondent may submit a list of proposed questions related to the alleged incident, prior to the hearing, to be asked during the hearing process.

5. Both the complainant and respondent will have equal opportunity to present relevant witnesses and other information during the Student Conduct Review Process.

6. The complainant may not have irrelevant past conduct, including sexual history, discussed during the hearing. The issue of relevancy shall be determined by the Hearing Panel or the hearing officer.

7. The complainant will be provided access to participate, view and hear the entire formal hearing whether in person, via videoconference or telephone or by other means available.

8. The complainant and respondent should not be questioned directly by one another during the Student Conduct Review Process. All questions shall be asked through the hearing body.

9. The complainant may make a “impact statement” and suggest an appropriate disciplinary sanction: warning, probation, suspension, or expulsion. See UCF-5.009(5) for more information regarding disciplinary sanctions for students, and section UCF-5.013(5) for more information regarding student organization disciplinary sanctions to include
appropriate compensations if the respondent is found to have been in violation of the Rules of Conduct or Organizational Rules of Conduct.

10. Both the complainant and respondent will be informed, concurrently and in writing, of the outcome of the student conduct review process and the outcome of the appeal process, in accordance with federal guidelines.

11. Both the complainant and the respondent have the right to appeal the outcome of the Student Conduct Review Process on the basis outlined in the Student Conduct Appeals section UCF-5.010 and UCF-5.013.

12. Both the complainant and respondent will be given periodic status updates throughout the Student Conduct Review Process.

(g) Prohibited Acts

Every member of the University community is prohibited from:

1. Engaging in sexual misconduct and other forms of harmful behavior which includes but is not limited to sexual assault, sexual harassment, dating violence, domestic violence and sex-related stalking;

4. Making an intentionally false accusation of sexual assault, sexual harassment, dating violence, domestic violence and sex-related stalking through the University’s procedures; and

5. The University may offer support, resources and educational counseling to such an individual.

(i) On Campus Services and Resources

UCF recognizes the importance of offering assistance and support for individuals who feel they are a victim of sexual misconduct. Individuals are highly encouraged to contact one or more of the following offices.

**Counseling & Psychological Services** – licensed and clinical professionals who can provide ongoing emotional and psychological support for students who have experienced any form of sexual misconduct related behavior. Special Accommodations and Interim Protective Measures

Upon receipt of a report of sexual misconduct, the University will impose reasonable and appropriate interim protective measures designed to eliminate the reported hostile environment and protect the parties involved. The University will maintain consistent contact with all parties to ensure that all safety, emotional, and physical well-being concerns are being addressed. Interim measures may be imposed regardless of whether formal disciplinary action is sought by the complainant or the University. The University, at its discretion, will implement interim protective measures for individuals involved including but not limited to:

1. Issuing a no contact order
2. Access to counseling services and assistance in setting up an initial appointment
3. Providing alternative course completion options
4. Assistance from University support staff in completing housing relocation
5. Providing an escort or transportation to ensure safe movement between classes and activities

Requests for any of the aforementioned special reasonable arrangements or actions will be coordinated by the Deputy Title IX Coordinator for Students or designee.

Students may contact Dana Juntunen, Deputy Title IX Coordinator for Students, at 407-823-4683 or dana.juntunen@ucf.edu.

If the Director of the Office of Student Conduct or designee, upon notifying the Vice President of Student Development and Enrollment Services decides at any point that the well-being of a student or of any member of the University community is at stake, an interim suspension may be imposed on a student or student organization who is suspected of violating the Rules of Conduct or Organizational Rules of Conduct as outlined in the Golden Rule [section UCF-5.009 (1) (a) , UCF-5.013 (1) (a)].
Investigation(s):

UCF will review all allegations of reported sexual misconduct and determine an appropriate course of action. Some cases can be handled informally and outside of the formal investigative process, although UCF will not mediate cases of sexual misconduct even on a voluntary basis. For cases that result in an investigation, those investigations are conducted by individuals who have received specialized training in those types of investigations. All investigations will be conducted in a thorough and neutral manner. In all instances and to the extent possible, the University of Central Florida will protect the privacy of all parties. However, under federal law, campus officials (with the exception of those in Counseling & Psychological Services, Student Health Services, Victim Services, and University Ombuds) who receive a report of sexual harassment, sexual assault, dating violence, domestic violence or sex-related stalking, whether by direct observation, from the persons involved or from a third party, must share that information with the appropriate UCF authorities (the Title IX Coordinator and/or the Deputy Title IX Coordinator for Students) for investigation and follow-up. UCF is obligated under the law to investigate all complaints of sexual misconduct. If you request that your name or other identifying information not be used in an investigation, UCF will consider your request in light of the context of its responsibility to provide a safe and nondiscriminatory environment. In most cases, information including your name may be shared with the respondent, witnesses, and with university officials who have a legitimate need to know.

Beyond that, UCF will take steps to protect your identity and the identity of all individuals involved.

UCF may need to proceed with adjudicating a sexual misconduct case through the student conduct review process regardless of the wishes of the complainant in those cases whereby the situation is determined to pose a significant danger to the University community, including, but not limited to: cases involving significant violence, cases in which the University has reason to believe that the Respondent
has harmed more than one individual, or cases in which there is deemed to be a threat to the campus community. The Senior Associate Vice President & Dean of Students and the Title IX Coordinator and/or Deputy Title IX Coordinator for Students will determine this necessity on a case by case basis.

For the purpose of all University investigations, any person who feels they have been subjected to sexual misconduct shall be referred to as the “Complainant.” For the purpose of all University investigations, any student or student organization who has been accused of allegedly committing an act of sexual misconduct shall be referred to as the “Respondent.” Any person who has directly observed an incident or has direct or indirect knowledge related to an incident shall be referred to as a “Witness.” All investigations will be concluded within 60 calendar days. However, the university reserves the right to extend investigations beyond this timeframe based on various circumstances (i.e., breaks between academic semesters, holidays, emergency university closing, compliance of involved parties, etc.).

In the course of an investigation, information will be shared as necessary with individuals who have a legitimate need/right to know, such as the Complainant, Investigators, Witnesses, and the Respondent. It is important to note that a Complainant’s request for anonymity and/or inaction may hinder a response by the University.

(m) Investigative Process for Students

1. Initial Report:

When the Title IX Coordinator and/or Deputy Title IX Coordinator for Students receives a report of alleged sexual misconduct, the complainant and respondent will be contacted for a meeting to discuss interim measures, support resources and information regarding the Title IX investigative process.
2. **Investigation Stage:**

Title IX Investigators will conduct individual interviews with the Complainant, Respondent, and witness(es) (if applicable), and collect all relevant evidence. The Complainant or the Respondent will not be permitted to participate in each other’s interview process. All interviews will be recorded in written form to ensure an accurate depiction of the situation is captured.

Both the Complainant and Respondent are permitted to have an advisor or support person of their choosing accompany them throughout the entire process. None of these parties can also serve as a witness throughout an investigation. No other parties may be present. Persons requiring a reasonable ADA accommodation throughout the process must alert the Deputy Title IX Coordinator for Students of their need/request prior to the start of any meeting with supporting documentation. Both the Complainant and Respondent will have equal access to review and comment upon any information independently developed during the Title IX Investigation process from their interviews prior to a final report being submitted by the Title IX Investigator(s) to the Deputy Title IX Coordinator for Students.

3. **Determination Stage:**

The Title IX Investigator(s) will submit a final investigative report, summarizing all interviews to the Deputy Title IX Coordinator for Students. Based on the final report, the Deputy Title IX Coordinator will determine whether there is “cause” to forward the case to the Office of Student Conduct with a recommendation that the Office of Student Conduct charge the Respondent with alleged violations of university policy. If the Deputy Title IX Coordinator for Students determines there is “no cause,” all parties will be issued a letter stating such, and the matter will be closed (note: this does not prohibit the complainant from
independently initiating external criminal charges). A finding of “cause” at this stage is not a finding of a violation of University policy. The university will charge a student or student organization with sexual misconduct through the Student Conduct Review Process when: there is evidence of facts which, if taken as true and which have not been shown to be unquestionably false, reasonably allow the university to conclude that sexual misconduct as defined by the Rules of Conduct may have occurred.

If the Deputy Title IX Coordinator for Students determines there is “cause,” the written recommendation, along with a copy of the final report and all other supporting information, will be forwarded to the Director of the Office of Student Conduct. Thereafter, the Office of Student Conduct shall follow due process and its standard University adjudicative procedures as outlined in the Golden Rule (section UCF-5.009 and UCF-5.013). The conduct proceeding shall use the “preponderance-of-the-evidence” standard. This standard is based on a “more likely than not” threshold that a violation(s) of the UCF Rules of Conduct or Organizational Rules of Conduct did occur. The parties will be provided equal opportunity to present relevant witnesses and evidence throughout the conduct process. In addition, both the complainant and respondent will have full-disclosure to inspect and review all evidence/materials prior to the hearing. (See section UCF-5.006 (9) (e) for additional rights of the complainant and respondent during the Student Conduct Review Process).

(n) Possible Disciplinary Sanctions
Any student found in-violation of the Rules of Conduct for sexual misconduct is subject to disciplinary action from UCF including but not limited to disciplinary probation, disciplinary suspension, or disciplinary expulsion. In addition to issuing punitive sanctions, educational requirements such as but not limited to attendance at seminars, workshops, presentations, writing papers, and conducting interviews on what constitutes consent and other relevant topical areas will also
be imposed. Any student organization found in-violation of the Organizational Rules of Conduct for sexual misconduct is subject to disciplinary action from UCF including but not limited to organizational probation, organizational suspension, or recommendation of charter revocation. In addition to issuing punitive sanctions to organizations, educational requirements such as but not limited to attendance at seminars, workshops, presentations, writing papers, and conducting interviews on what constitutes consent and other relevant topical areas will also be imposed.

It is also a violation of University policy to engage in any form of retaliation or intimidation in connection with complaints of sexual misconduct. Any such acts of retaliation or intimidation by a UCF student or student organizations should be reported to the Office of Student Conduct. The same penalties many be imposed for retaliation as for the alleged violence.

(5) Sexual Misconduct

(a) Any nonconsensual sexual conduct which occurs on or off the UCF premises.

1. Consent, to be valid, must be an affirmative act or statement by each person that is informed, freely given and mutually understood. A determination of whether consent exists will be based on the information the initiator of the sexual act knew or should have known as a sober, reasonable person. Being intoxicated does not relieve an initiator of a sexual act from obtaining consent.

a. It is the responsibility of each person involved in any sexual activity to ensure that he or she has the affirmative consent of the other, or others, to engage in the sexual activity.

b. The existence of a dating or sexual relationship between the persons involved, or the fact of past sexual relations is not indicator of consent for any current or future sexual encounter.

c. Consent cannot be obtained by force, threat, coercion, manipulation, reasonable fear of injury, intimidation, use of position of influence,
or through the use of one’s mental or physical helplessness or incapacity.

2. Consent must be ongoing throughout a sexual activity, for each sexual act, and can be revoked at any time.

   e. Lack of protest or resistance is not consent
   f. Silence is not consent.
   g. Consent can be withdrawn at any time as long as the withdrawal is clearly communicated by the person withdrawing consent through words or actions.

3. If a person is mentally or physically incapacitated so that the person cannot understand the fact, nature, or extent of the sexual situation, there is no consent.
   a. Incapacitation is a temporary or permanent state in which a person cannot make informed, rational judgments because the person lacks the physical or mental capacity to understand the nature or consequences of their words and/or conduct, and/or the person is unable to physically or verbally communicate consent.
   b. This includes but is not limited to conditions due to age, alcohol or drug consumption, being unconscious or asleep, or because of an intellectual or other disability that prevents the person from having the capacity to give consent.

UCF-5.009 Student Conduct Review Process; Sanctions

(1) **Violation Reports.** Alleged violations of the UCF Rules of Conduct shall be reported in writing to the Director of the OSC or designee. Upon receiving an alleged violation of misconduct, the Director of the OSC or designee may review relevant information and consult with relevant parties regarding the incident in question. In unusual cases, which dictate a decision for the welfare of any individual, the student body, or any part of the University or its community, the Director of the OSC or designee, upon notifying the VP of SDES, may take immediate action to resolve the situation by placing the student on interim suspension. Such action is subject to review at a hearing within three (3) business days by the VP of SDES or designee to determine the status of the interim suspension. The outcome of an interim suspension hearing shall remain in effect until the final disposition of formal charges resulting from the circumstances of the case, unless the VP of SDES or designee shall decide otherwise.

(a) The Director of the OSC will review all information warranting disciplinary action and assign case to the appropriate staff member. The Office of Student Conduct will send written notification to the charged student indicating the nature of the activity in question and what university rules were allegedly violated.

(b) Upon receipt of an incident report the Office of Student Conduct has six months to charge a student with a violation of the Rules of Conduct. The Office of Student Conduct may exercise discretion when applying the time provision to account for circumstances that warrant a waiver of the six month time limit from the date of discovery.

(c) Students charged with alleged violations of the Rules of Conduct will receive notice to attend a required preliminary conference with the Office of Student Conduct to discuss the charges. If the student fails to attend that conference, a hold may be placed on the student’s record, preventing them from registering for future classes until the matter is resolved. Students who leave the university or withdraw from a class before a disciplinary matter is resolved may be prohibited from future enrollment until such time as the matter is resolved. The student will receive information regarding the Student Conduct Review Process, including the student’s rights during the process, an opportunity to inspect and/or review the information known at the time charges are prepared, and notice on how to contact the Student
Government Association Judicial Advisor. At the conclusion of the meeting, the Office of Student Conduct recommends an option for resolution of the disciplinary charges. These options are dismissal, mediation, informal hearing, or formal hearing.

(2) Options for Resolution of Disciplinary Charges

(a) Case Dismissal: The Director of the OSC or designee may dismiss a case if it is found to not have sufficient facts or information to substantiate the claim of misconduct, the accused person is not a student, or the action claimed as misconduct is not a violation of the Rules of Conduct.

(b) Mediation: Depending on the nature and severity of the alleged violation, the Office of Student Conduct may recommend formal mediation through the Office of Student Rights and Responsibilities as an alternative to disciplinary action. The involved parties must each agree to mediation. Mediation is confidential. In mediation, the parties voluntarily meet with an impartial mediator to communicate their concerns and needs to each other and to reach their own agreement on the resolution of the case. The participants in mediation are responsible for keeping their agreement or renegotiating it, if necessary. In the event that the participants do not agree to mediate or mediate but do not reach a full and final resolution, the case will be referred back for disciplinary action through an informal or a formal hearing. Breach of a mediated agreement may result in a follow up mediation session or the matter may be referred back through the conduct process at the discretion of the Office of Student Conduct. Mediation will not be a resolution option for cases involving allegations of incidents of Sexual Misconduct.

(c) Informal Hearing: At the discretion of the Office of Student Conduct, violations found not to warrant a formal hearing may be referred to an informal hearing. At the informal hearing the charged student has the opportunity to meet with an Office of Student Conduct staff member or designee and accept responsibility for the charges of violation of the Rules of Conduct. At the informal level the matter will be settled by the following outcomes: punitive sanction (disciplinary warning or disciplinary probation) as well as educational sanctions (papers, seminars, community service, etc.). If the matter is not resolved informally, the case will be resolved through a formal hearing. The outcomes from an informal hearing process (decision of
responsible and recommended sanctions) are final and are not eligible to be appealed (UCF-5.010).

(d) Formal Hearing: If an alleged violation of the Rules of Conduct is not dismissed or otherwise resolved, then the Office of Student Conduct shall present in writing formal charges to the student. The charged student may request either a panel or administrative hearing. The charged student’s hearing shall be open only to the charged student, his/her advisor, the hearing body, witnesses (when called upon), and a representative from the Office of Student Conduct. In cases of alleged Academic Misconduct, the student is required to have an academic integrity panel hearing as stated in UCF-5.015.

Formal notification shall include:

1. The student’s name and address.
2. Date, time and location of the formal hearing.
3. The rule(s) of conduct allegedly violated as known at the time formal charges are prepared.
4. Names of potential witnesses known at the time formal charges are prepared.
5. A description of any physical or written documentation known at the time charges are prepared.

(3) Formal Hearings.

There are two types of formal hearings – panel hearings and administrative hearings.

(a) Panel Hearings.

1. A panel to consider an individual case shall be randomly selected by the Office of Student Conduct from the Student Conduct Board and shall consist of two (2) faculty and administrative staff members combined, and two (2) student members. One panel member shall be selected by the Office of Student Conduct to chair the hearing and report the finding(s) and recommended sanctions, if any, to the Director of the OSC or designee.

2. At hearings conducted by a panel, an Office of Student Conduct staff member shall act as an advisor to the panel. The Director of the OSC or designee shall receive the panel’s proposed finding(s) as to "in violation" or "not in
violation” of the Rules of Conduct, and consider any sanctions proposed by the panel.

3. The Director of the OSC or designee may accept the proposed finding(s) of “in violation” or “not in violation” or remand the case for rehearing. If the Director of the OSRR or designee accepts the proposed finding(s) of “in violation,” they may approve, mitigate or increase the sanctions proposed by the panel.

4. Any decision by the Director of the OSC or designee to alter proposed sanctions or return a case shall be accompanied by a concise and explicit written statement that explains the basis for that decision.

(b) Administrative Hearings

1. Administrative hearings shall be conducted by one faculty or staff member randomly selected by the Office of Student Conduct from the Student Conduct Board. The charged student shall be informed of the hearing officer assigned to his/her case and shall have the opportunity to challenge the impartiality of the individual within three (3) business days of notification. The student shall state in writing the basis for such challenge. A hearing officer so challenged will be excused; however, indiscriminate challenges shall not be permitted. In the event that a student has opted not to challenge the impartiality of a hearing office prior to the allotted three (3) business days, the assigned hearing officer shall remain as scheduled. Administrative Hearings are not an option in cases of alleged Academic Misconduct.

2. At hearings conducted by an administrative hearing officer, an Office of Student Conduct staff member shall act as an advisor to the administrative hearing officer. The Director of the OSC or designee shall receive the administrative hearing officer’s proposed finding(s) as to "in violation" or "not in violation" of the Rules of Conduct, and consider any sanctions proposed by the administrative hearing officer.

3. The Director of the OSC or designee may accept the proposed finding(s) of “in violation” or “not in violation” or remand the case for rehearing. If the Director of the OSC or designee accepts the proposed finding(s) of “in
violation,” they may approve, mitigate or increase the sanctions proposed by the administrative hearing officer.

4. Any decision by the Director of the OSC or designee to alter sanctions or return a case shall be accompanied by a concise and explicit written statement that explains the basis for that decision.

(c) Conduct of Formal Hearings - the following is furnished as a guide to the sequence of events in a formal hearing. Please note that all formal hearing proceedings are recorded. The recording is part of the official record of the formal hearing and no other recordings are permitted.

1. Reading of charges.
2. Student response of “in violation” or “not in violation.”
3. Presentation of information in support of the charges.
4. Opening statement by the charged student.
5. Questioning of the charged student by the hearing body.
6. Presentation and questioning of witnesses in support of the charges.
7. Presentation and questioning of witnesses by the charged student.
8. Final questions of the charged student by the hearing body.
9. Closing remarks by the charged student.
10. Hearing is brought to a close; student is invited to await announcement of the proposed finding(s) and recommended sanction(s), if any.

(d) Deliberations by the panel or the administrative hearing officer are not part of the hearing and are confidential. Deliberations occur after the closure of the hearing and are not recorded. Following deliberations, the panel or the administrative hearing officer will announce to the student the proposed finding(s) and proposed sanction(s), if any. The announcement of the proposed finding(s) and proposed sanction(s), if any, will be recorded as part of the official case record.

(e) Case Record for Formal Hearing - The case record shall consist of the following items:

1. A copy of the formal charges in writing.
2. A recording of the formal hearing.
3. A recording of the announcement of the proposed finding(s) and proposed sanctions, if any.
4. All staff memoranda submitted.
5. All items of physical or written documentation submitted, provided such items are not returned to a rightful owner. In that case, photographs or other facsimiles shall be made before return.
6. The proposed finding(s) and sanction(s) by the hearing panel or administrator, if any.
7. The Director of the OSC’s or designee’s decision.

(4) Student Rights in the Student Conduct Review Process.
The following rights shall be explained to each charged student prior to the commencement of any formal disciplinary hearing:

(a) The charged student shall be afforded reasonable written notice, at least five (5) business days prior to the formal hearing, unless waived in writing. Written notice sent to the charged student’s electronic and/or physical address listed in the Registrar’s records shall constitute full and adequate notice. Written notice shall include:
1. The student’s name and address.
2. Date, time and location and nature of the proceeding of the formal hearing.
3. The rule(s) of conduct allegedly violated as known at the time formal charges are prepared.
4. Names of potential witnesses known at the time formal charges are prepared.
5. A description of any written or physical documentation known at the time charges are prepared.

(b) The student may have, at his or her own expense and initiative, an advisor present at the hearing. It is the student’s responsibility to make appropriate arrangements for the advisor to attend the hearing, and the hearing shall not be delayed due to scheduling conflicts of the chosen advisor. The advisor may be present to advise the student but shall not speak for or present the case for the student or otherwise participate directly in the proceeding. A student organization may consult with their advisor at any time during the hearing. This consultation must take place in a
manner that does not disrupt the proceedings. A student organization’s advisor must not be connected to the actual conduct case or a related case. In addition, an advisor may not serve as a witness. If the advisor does not adhere to their defined role in the student conduct review process, they may be removed from the hearing. The Office of Student Conduct shall maintain a list of impartial advisors and resources available to the student.

(c) All hearings shall be conducted on the basis that the charged student is not in violation until the preponderance of evidence proves otherwise. At a hearing, the technical rules of evidence applicable to civil and criminal cases shall not apply. The burden of proof in a student conduct hearing is not on the student charged with a violation of the Rules of Conduct.

(d) The student may inspect any information presented in support of the charges at least three (3) business days before the formal hearing. Information may be presented in support of the student. The University also has the right to review any information the student intends to use at least three (3) business days before the formal hearing.

(e) The university cannot compel any person to attend a formal hearing. However, all parties may arrange for witnesses to voluntarily present relevant information during the proceeding. Pertinent information may be accepted as information for consideration by the person or body conducting the hearing. The student may hear and question adverse witnesses who testify at the hearing.

(f) The student shall not be forced to present self-incriminating information; however, the University is not required to postpone disciplinary proceedings pending the outcome of any civil or criminal case. The University’s formal hearing is not a criminal or judicial proceeding and is designed to address student behavior; therefore, alleged violations of the UCF Rules of Conduct will be addressed independently of any outcome imposed by the courts for the criminal offense.

(g) The proposed finding, as well as the Director of the OSC’s or designee’s determination, of “in violation” or “not in violation” on the charges shall be based solely on the information presented at the formal hearing.

(h) Only when the proposed finding of the hearing body find the student is in violation, will prior conduct history be reviewed and potentially affect proposed sanctioning.
The results of any formal hearing shall be made available to the student within seven (7) business days following the hearing (deadline can be extended by mutual agreement of the charged student and the Director of the OSC’s or designee). For academic integrity cases, the results of any formal hearing shall be made available to the student within fourteen (14) business days following the hearing.

The student’s enrollment status shall remain unchanged pending the University’s final agency action in the matter, except in cases where the VP of SDES or designee determines that the safety, health, or general welfare of the student, any individual, or any part of the University may be involved.

(5) Additional Procedures in Cases of Sexual Misconduct. Where a student is charged with Sexual Misconduct, the procedures outlined in UCF-5.006(9) (e) will apply in addition to the procedures of the Student Conduct Review Process.

(6) Sanctions.

(a) Disciplinary Warning- An official warning that the student’s behavior is in violation of the UCF Rules of Conduct, and that if the student is subsequently found in violation of a rule while on disciplinary warning; subsequent action may be more severe.

(b) Disciplinary Probation- Disciplinary probation status shall be for a specific length of time in which any further violation of the rules of conduct puts the student’s status with the University in jeopardy. If the student is found “in-violation” for another violation of the rules of conduct, while on disciplinary probation, more severe sanctions may be imposed such as suspension or expulsion. Restrictive conditions may be imposed and vary according to the severity of the offense. While on disciplinary probation, restrictive conditions may include, but may not be limited to the following: loss of good standing, which may become a matter of record; denial of the privilege to occupy a position of leadership or responsibility in any University student organization, publication, or activity, or ability to represent the University in an official capacity or position; trespass of University facilities or other areas of campus or contact with another specified person(s). Under disciplinary probation, the student may continue to attend classes and is given a chance to show capability and willingness to live in accordance with University rules. However, if the student
is subsequently found in violation of a rule while on disciplinary probation, the University may suspend or expel the student from the University. While on Disciplinary Probation, a hold will be placed on a student’s record for record keeping purposes.

(c) Disciplinary Suspension- A student involved in an offense warranting consideration of action more serious than disciplinary probation or one involved in repeated misconduct may face suspension. During the period of suspension, a student may not be enrolled in classes, participate in University related activities, whether they occur on or off campus. A student under disciplinary suspension may not otherwise be present on University premises unless authorized in writing in advance under conditions approved by the Director of the OSC. In determining if and to what extent suspended students shall be authorized to be on University premises, the Director of the OSC or designee shall consider whether the suspension creates an undue hardship on the suspended student in regard to considerations that include, but are not limited to, the medical needs of the student. An overlay will be placed on a student’s record during the period of suspension. Further, while on disciplinary suspension, a hold will be placed on a student’s record for record keeping purposes. All assigned educational sanctions must be completed prior to the conclusion of disciplinary suspension; otherwise the disciplinary suspension will remain in effect.

(d) Disciplinary Expulsion- Expulsion is a sanction which removes the student from his/her academic program and permanently separates a student from the University of Central Florida without opportunity to graduate or re-enroll at the university in the future. An overlay will be permanently placed on the student’s record. Further, a hold will be permanently placed on a student’s record for record keeping purposes.

(e) Educational Sanctions- In conjunction with a sanction listed above, a student found to have been in violation of any of the Rules of Conduct will be assigned educational requirements such as, but not limited to, reflective/research papers, classes/seminars, community service, interviews, etc. If a student has any outstanding educational requirements at the conclusion of disciplinary probation or suspension, a student’s disciplinary probation or suspension status and hold will remain in effect pending the completion of the educational requirements.
UCF-5.010  Student Conduct Appeals

(1) Appeals within the Student Conduct Review Process

(a) Students found in violation as a result of a formal hearing may appeal the finding(s) and sanction(s) imposed. The appeal must be made in writing to the Appellate Officer (VP of SDES or designee) within seven (7) business days after the date the student was notified of the decision by the Director of the OSC or designee. The appeal form can be found at http://osc.sdes.ucf.edu/process.

(b) Students may appeal the finding(s) and sanction(s) imposed on the basis of one or more of the following:
   1. Irregularities in fairness and stated procedures of the hearing that could have affected the outcome of the hearing.
   2. Discovery of new and significant information that could have affected the outcome of the hearing and that was not known or could not reasonably have been discovered and/or presented at the time of the initial hearing.
   3. The sanction(s) are extraordinarily disproportionate to the violation(s).

(c) On the appeal form, the student must state the reason(s) for appeal, the supporting facts, and the recommended solution. This is not a re-hearing of the conduct case. An appeal cannot be filed simply because a student is dissatisfied with the decision. Failure to describe the nature of the information in full detail in the appeal letter will result in the denial of an appeal.

(d) The Appellate Officer shall first determine if sufficient grounds for appeal exist and then, if so, may either deny the appeal; thus, sustaining the initial decision and sanction(s) or do one of the following:
   1. If the student alleges that the sanction was disproportionate to the violation(s) and the Appellate Officer finds the sanction to be disproportionate, the Appellate Officer may reduce the sanction.
   2. If the student alleges that there was a defect in procedure or new information was presented which was sufficiently substantial to have affected the outcome, the Appellate Officer will order a new hearing.

(e) The student shall receive a written decision to the appeal. There is no definitive timeline for receiving an appeal response. It depends on many factors including
the complexity of the case and the information mentioned in the appeal, as well as
the Appellate Officer’s appeal load at that particular time. Decisions of the
Appellate Officer reflect final university action.

(f) The Office of Student Conduct cannot place an overlay on the student’s record
until the appeal decision is completed or if the student chooses not to appeal. At
such time, if appropriate, a hold and/or overlay, is placed on the student’s record.
If the Appellate Officer upholds the original findings, the effective date of any
disciplinary sanction(s) imposed will revert back to the date of the Director of the
OSC’s or designee’s final decision letter.

(2) Appeals within the Student Conduct Review Process – Complainants of cases involving
sexual misconduct, including but not limited to, sexual harassment, sexual assault, sex-
related stalking, dating violence, and domestic violence

(a) Complainants of sexual assault, dating violence, domestic violence, and sex-
related stalking may appeal the finding(s) and sanction(s) imposed of a student
conduct formal hearing. The appeal must be made in writing to the Appellate
Officer (VP of SDES or designee) within seven (7) business days after the date
both the respondent and complainant are notified of the decision by the Director
of the OSC or designee. The appeal form can be found at

(b) Complainants may appeal the finding and sanction(s) imposed on the basis of one
or more of the following:
1. Irregularities in fairness and stated procedures of the hearing that could
   have affected the outcome of the hearing.
2. Discovery of new and significant information that could have affected the
   outcome of the hearing and that was not known or could not reasonably
   have been discovered and/or presented at the time of the initial hearing.
3. The sanction(s) are extraordinarily disproportionate to the violation(s).

(c) On the appeal form, the student must state the reason(s) for appeal, supporting
facts, and the recommended solution. Failure to describe the nature of the
information in full detail in the appeal letter will result in the denial of the appeal.
The Appellate Officer shall first determine if sufficient grounds for appeal exist and then, if so, may either deny the appeal, thus sustaining the initial decision and sanction(s) or do one of the following:

1. If the complainant alleges that the sanction was disproportionate to the violation(s) and the Appellate Officer finds the sanction to be disproportionate, the Appellate Officer may alter the sanction.

2. If the complainant alleges that there was a defect in procedure or new information was presented which was sufficiently substantial to have affected the outcome, the Appellate Officer will order a new hearing.

The complainant and respondent shall receive a written decision to the appeal concurrently. There is no definitive timeline for receiving an appeal response. It depends on many factors including the complexity of the case and the information mentioned in the appeal, as well as the Appellate Officer’s appeal load at that particular time. Decisions of the Appellate Officer reflect final agency action.

(3) Disciplinary Sanction Review Request (Probation/Suspension)

(a) Upon completion of one semester of disciplinary probation or one semester of disciplinary suspension, and completion of all educational requirements, a student has the opportunity to request a review of their disciplinary probation or disciplinary suspension status through the Community ReEngagement and Educational Development (CREED) Program.

(b) Requests should be submitted to the Director of the OSC or designee via an online CREED Program submission form available at www.osc.sdes.ucf.edu. This request can only be submitted once a semester.

(c) The CREED Program is designed for a student to have the opportunity to demonstrate that in the period following a violation of the Rules of Conduct, they have taken steps to become a productive and engaged member of the UCF community.

(d) In considering this request, a student should complete all outlined requirements of the CREED Program which can be reviewed online at www.osc.sdes.ucf.edu. Students that simply fulfill the minimum requirements of their sanction(s) will not be eligible for the CREED Program.
A CREED Program application should include information such as the following:

1. Reflection Essay

3. Community Service
4. Residential Life Letter of Support (On-Campus or Affiliated Residential Students only)
5. Proof of Counseling/Assessment (if applicable)

7. Termination of Probation Letter (Admission Clearance Only, and if applicable)

Upon receipt of the CREED Program packet, the Director of the OSC or designee will review to determine whether or not the student meets criteria for review. If the Director of the OSC or designee agrees that the student’s request meets any or all of the above mentioned criteria, the student will be contacted within fourteen (14) business days to schedule a “CREED review meeting” with a committee appointed by the Director of the OSC or designee, comprised of faculty, staff and students.

Prior to this meeting, the committee will have reviewed the submitted packet and will prepare 10-15 questions for the student to address, as well as provide the student with the opportunity to further discuss why the disciplinary probation or suspension status should be altered or terminated. No alterations shall be made to include new or increased sanctions. Should the committee feel that further information and/or documentation is necessary in order to render a recommendation, the review may be temporarily recessed. A time frame of not more than two (2) weeks will be given to the student to produce requested information and/or documentation. Upon receipt of the requested information and/or documentation, the committee will reconvene the review with the student.

After the meeting, the committee will issue a recommendation to the Director of the OSC or designee. The Director of the OSC or designee will provide a
decision to the student in writing within five to seven (5-7) business days of receiving the recommendation.

(i) If the request is denied by the Director of the OSC or designee the decision shall include a concise and explicit written statement that explains the basis for that decision and suggested action items for the student’s success.

(j) There is no appeal process for a CREED Review Meeting decision.

(4) Sealing of Records

(a) A student’s conduct record is eligible to be sealed if the incident(s) in question are minor and do not result in suspension or expulsion and where further violations would not likely result in suspension or expulsion from the university.

(b) A student conduct record may be sealed upon the successful submission and review of appropriate paperwork to the Office of Student Conduct.

(c) The factors influencing the decision by the Director of the OSC for sealing are the severity of the violation, effect of the violation on the University community, sanctions applied, completion of sanctions, and ethical development demonstrated by the student.

(d) There is no appeals process regarding student conduct record sealing.
(1) Scope
(a) The organizational conduct regulations (UCF-5.011, 5.012, and 5.013) shall apply to all student organizations of the University, including those at its regional campuses and/or at off campus instructional sites, and shall be deemed a part of the terms and conditions of student organization registration. The right of all students to seek knowledge, debate ideas, form opinions, and freely express their ideas is fully recognized by the University of Central Florida, including when students come together as student organizations. The Organizational Rules of Conduct, set out below, apply to student organization conduct and will not be used to impose discipline for the lawful expression of ideas. Specific restrictions on time and place of meetings and assemblies are found in other University regulations or policies.

(b) The Organizational Rules of Conduct apply to all student organizations for conduct that occurs:
1. On University premises; or
2. During or while participating in University and/or organization sponsored or related activities; or
3. During school sessions, holidays, breaks, and university closures; or
4. against students or non-students.

(c) The University may take action against a student organization for off-campus conduct if the conduct is specifically prohibited by law or the Organizational Rules of Conduct; or if the conduct poses (or demonstrates that the student organization’s continued recognition at the University poses) a danger to the health, safety or welfare of the University community; or if the conduct is disruptive to the orderly processes and functions of the University.

(2) Authority
(a) The Florida Board of Governors Regulation 6.0105 requires each university to establish a Student Disciplinary System, including a code of conduct, to apply to student disciplinary proceedings.
These regulations shall ensure a fair and impartial process in student organizational disciplinary proceedings and guarantee the integrity of the university.

Generally, authority necessary to enforce the organizational student conduct regulations is vested in the Vice President for Student Development and Enrollment Services or designee. Selected functions of this authority are shared with faculty, staff and students. Some functions of student conduct administration are assisted through review boards.

(3) **Definitions.** Definitions for terms used in this section, as well as in the Organizational Conduct Review Process, are located in UCF-5.007(4).

(4) **Principles of Group Responsibility.** Any student organization can be held responsible for its actions or the actions of one or more of its members (active or inactive). There is no minimum number of group members who must be involved in an incident before disciplinary action may be taken against the organization. In some instances, the conduct of a single member may provide sufficient grounds for action against the entire organization. Misconduct on the part of the organization may be addressed when:

(a) Members of the organization act together to violate University standards of conduct;

(b) One or more members, alumni, or guests allegedly violate an Organizational Rule of Conduct at an organization-sponsored, financed, or otherwise supported activity;

(c) One or more members of an organization or its officers has knowledge of the incident, behavior, etc. and fails to take corrective or prohibitive action before such incident, behavior, etc. occurs or fails to stop such incident, behavior, etc. while it is occurring;

(d) A violation occurs on premises and/or transportation owned, operated, or rented exclusively by the student organization;

(e) A pattern of individual violations has occurred and/or continues to occur without adequate control, response, or sanction on the part of the student organization or its leaders;

(f) The student organization or related activities provided the context for the violation;
The student organization chooses to protect one or more individual offenders who are members, alumni, former members, or guests of the student organization from official actions.

(5) Alcohol Emergencies. The University of Central Florida highly encourages student organizations to call for medical assistance whenever an individual experiences severe intoxication or serious injury after consuming alcohol. Student organizations may be reluctant to call for help for themselves or others due to potential involvement from the UCF Police Department or the Office of Student Conduct. Due to the serious or life-threatening nature of these medical emergencies, the University of Central Florida urges students to contact emergency medical services or the UCF police department if alcohol-related medical emergencies arise. The university’s primary goal is to create a safe environment for its student organizations.

(6) Violations of Law and Rule of Conduct Violations. Students who commit offenses against the laws of municipalities, states, or the United States are subject to prosecution by those authorities and may be subject to disciplinary action by the University when their conduct violates institutional standards. Students shall not be forced to present self-incriminating evidence; however, the University is not required to postpone disciplinary proceedings pending the outcome of any civil or criminal case. The Student Organization Conduct process is not a criminal or judicial proceeding and is designed to address student organization behavior as outlined in the Principles of Group Responsibility, above; therefore, alleged violations of the Organizational Rules of Conduct will be addressed independently of any penalty imposed by the courts for the criminal offense.

(7) Student Organizational Conduct Records

(a) Maintenance of Records. A student organizations conduct case record will be maintained in the Office of Student Conduct. The case record of a student organization found responsible for charge(s) against them, with sanctions less than suspension or revocation, will generally be maintained in the Office of Student Conduct for seven years from the calendar year of record, after which they are destroyed. The case record of a student organization that has been suspended or whose registration has been revoked will be permanently maintained by the Office of Student Conduct.
(b) Release of Records. The release of student organization disciplinary records will be governed by applicable federal and state laws regarding the privacy of educational records.
Organizational Rules of Conduct

Student organizations are expected to abide by these Organizational Rules of Conduct, and administrators and faculty are expected to enforce them. These rules should be read broadly and are not intended to define prohibited conduct in exhaustive terms. These rules may be revised during the year; announcements will be made on adoption of changes or additions. The right of all students to seek knowledge, debate ideas, form opinions, and freely express their ideas is fully recognized by the University of Central Florida, including when students come together as student organizations. The Organizational Rules of Conduct, set out below, apply to student organization conduct and will not be used to impose discipline for the lawful expression of ideas. The following is a non-exhaustive list of prohibited conduct for which disciplinary action may be taken at the University of Central Florida. Harassment under this provision is
conduct (verbal or physical behavior) that would constitute harassment under federal or state civil rights laws or under University Regulation UCF-3.001.

(c) Bullying: Defined as behavior of any sort (including communicative behavior) directed at another, that is severe, pervasive, or persistent, and is of a nature that would cause a reasonable person in the target’s position substantial emotional distress and undermine his or her ability to work, study, or participate in University life or regular activities, or which would place a reasonable person in fear of injury or death.

(d) Verbal or written abuse, threats, intimidation, coercion and/or other conduct that endangers the health, safety or well-being of another person or group, or which would place a reasonable person in the victim’s position in fear of bodily injury or death. (f) Retaliation against or harassment of complainant(s), other person(s) alleging misconduct, or anyone who participates in an investigation of harassment.

(5) Sexual Misconduct

(a) Any nonconsensual sexual conduct or attempted nonconsensual sexual conduct which occurs on or off the UCF campus.

1. Consent, to be valid, must be an affirmative act or statement by each person that is informed, freely given and mutually understood. A determination of whether consent exists will be based on the information the initiator of the sexual act knew or should have known as a sober, reasonable person. Being intoxicated does not relieve an initiator of a sexual act from obtaining consent:
a. It is the responsibility of each person involved in any sexual activity to ensure that he or she has the affirmative consent of the other, or others, to engage in the sexual activity.

b. The existence of a dating or sexual relationship between the persons involved, or the fact of past sexual relations is not indicator of consent for any current or future sexual encounter.

c. Consent cannot be obtained by force, threat, coercion, manipulation, reasonable fear of injury, intimidation, use of position of influence, or through the use of one’s mental or physical helplessness or incapacity.

2. Consent must be ongoing throughout a sexual activity, for each sexual act, and can be revoked at any time.

a. Within each sexual encounter, there may be separate individual sexual acts involved.

b. Consent to one act by itself does not constitute to another act.

c. If verbal consent is not given, ongoing active participation is required for consent.

d. Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another.

e. Lack of protest or resistance is not consent

f. Silence is not consent.

g. Consent can be withdrawn at any time as long as the withdrawal is clearly communicated by the person withdrawing consent through words or actions.
3. If a person is mentally or physically incapacitated so that the person cannot understand the fact, nature, or extent of the sexual situation, there is no consent.

a. Incapacitation is a temporary or permanent state in which a person cannot make informed, rational judgments because the person lacks the physical or mental capacity to understand the nature or consequences of their words and/or conduct, and/or the person is unable to physically or verbally communicate consent.

b. This includes but is not limited to conditions due to age, alcohol or drug consumption, being unconscious or asleep, or because of an intellectual or other disability that prevents the person from having the capacity to give consent.

(b) Obscene or indecent behavior, which includes, but is not limited to, exposure of one’s sexual organs or the lewd display of sexual behavior.

(c) Sexual Harassment: defined as conduct (verbal or physical) of a sexual nature that, due to the severity and pervasiveness of the conduct and the targeted nature of the conduct on the basis of sex, creates an objectively intimidating, hostile, or offensive campus, educational, or working environment for another person. This definition also applies to unwanted, unwelcome, inappropriate, or irrelevant sexual or gender-based activities, sexual advances, or requests for sexual favors, when (i) submission to such conduct is made either explicitly or implicitly a term or condition of a student’s academic or extracurricular participation, or employment; or (ii) submission to or rejection of such conduct or request is used as the basis for employment decisions or to determine participation in academic or extracurricular activities. Sexual harassment under this provision is conduct (verbal or physical behavior) that would constitute sexual harassment under federal or state civil rights laws or under University Regulation UCF-3.001.

(g) Alcohol Emergencies- University Expectations for Student Organizations. Student organizations may be eligible for exemptions from disciplinary action when a representative of an organization at a student organizational event calls for emergency assistance on behalf of a person experiencing an alcohol related emergency. Student organizations that seek medical assistance for alcohol emergencies may receive exemption for violations of the Organizational Rules of Conduct Section 6 subsections a through f; however, exemption for other Organizational Rule of Conduct violations may not be granted. Student organizations may be eligible for this exemption on a case by case basis at the discretion of the Director of the Office of Student Conduct. Additional information regarding alcohol emergencies can be found at the Office of Student Conduct website: [http://osrr.sdes.ucf.edu](http://osrr.sdes.ucf.edu).

Upon receiving an incident report, the Director of the OSC or designee may review relevant information and consult with relevant parties regarding the incident in question. In unusual cases, which dictate a decision for the health and safety of any individual, the student body, or any part of the University or its community, the Director of the OSC or designee, upon notifying the VP of SDES, may take immediate action to resolve the situation by placing the student organization on interim suspension. Such action is subject to review at a hearing within ten (10) business days by the VP of SDES or designee to determine the status of the interim suspension. The outcome of an interim suspension hearing shall remain in effect until the final disposition of formal charges resulting from the circumstances of the case, unless the VP of SDES or designee shall decide otherwise.

(b) The Director of the OSC will review all information warranting disciplinary action and assign case to the appropriate staff member. The Office of Student Conduct will send written notification to the chief officer of the student organization at their UCF mailing address indicating the nature of the activity in question and what Organizational Rules of Conduct were allegedly violated. The chief officer of the student organization shall serve as the organization’s representative in the organization conduct review process. The student organization may not designate an advisor as their representative in the conduct review process.

(c) Upon receipt of an incident report the Office of Student Conduct has six months to charge a student organization with a violation of the Organizational Rules of Conduct. (d) A student organization charged with alleged violations of the Organizational Rules of Conduct (see UCF-5.012) will receive notice to attend a mandatory preliminary conference with the Office of Student Conduct. During the mandatory preliminary conference the student organization will receive information regarding the Student Organization Conduct Review Process, including the student organization’s rights during the process; an opportunity to inspect and/or review the information known at the time charges were prepared and how to contact the Student Government Association Judicial Advisor. Groups under social probation may gather at regularly scheduled business meetings.

(2) Options for Resolution of Disciplinary Charges

(a) Case Dismissal: The Director of OSC or designee may dismiss a case if it is found to not have sufficient facts or evidence to substantiate the claim of misconduct or the misconduct is not a violation of the organizational rules of conduct.

(b) Mediation: Depending on the nature and severity of the alleged violation, the Office of Student Conduct may recommend formal mediation through the Office of Student Rights and Responsibilities as an alternative to disciplinary action. The involved parties must each agree to mediation. Mediation is a confidential process where the parties voluntarily meet with an impartial mediator to communicate their concerns and needs to each other and to reach their own agreement on the resolution of the case. The participants in mediation are responsible for keeping their agreement or renegotiating it, if necessary. In the event that the participants do not agree to mediate or mediate but do not reach a full and final resolution, the case will be referred back to the Office of
Student Conduct for disciplinary action through an informal or a formal hearing. Breach of a mediated agreement may result in a follow up mediation session or the matter may be referred back through the conduct process at the discretion of the Office of Student Conduct.

(c) Informal Hearing: At the discretion of the Office of Student Conduct, violations found not to warrant a formal hearing may be referred to an informal hearing. At the informal hearing the charged student organization has the opportunity to meet with an Office of Student Conduct staff member and accept responsibility for the charges of violation of the Organizational Rules of Conduct. At the informal level the matter will be settled by the following outcomes: punitive sanction (warning, probation, or restrictive probation) as well as educational sanctions (papers, seminars, community service, etc.). If the matter is not settled informally, the case will be resolved through a formal hearing.

(d) Formal Hearing: If an alleged violation of the Organizational Rules of Conduct is not dismissed or otherwise resolved, then the Office of Student Conduct shall present in writing formal charges to the student organization. The charged student organization may request either a panel or administrative hearing. In cases of alleged Harmful Behavior or Sexual Misconduct (see Organizational Rules of Conduct, UCF-5.012) the student organization is required to have a panel hearing. The charged student organization’s hearing shall only be open to the charged student organization’s chief officer, their advisor, the hearing body, witnesses (when called upon), a representative from the Office of Student Conduct, and a university staff member from an appropriate office (Office of Student Involvement, Office of Fraternity and Sorority Life, Recreation and Wellness Center, etc.).

(3) Formal Hearings. There are two types of formal hearings – panel hearings and administrative hearings.

(a) Panel Hearings.

1. A panel to consider an organizational case shall be comprised of members from the Office of Student Conduct Student Conduct Board. The panel shall consist of two (2) faculty and administrative staff members combined and two (2) student members that have been trained by the Office of Student Conduct to hear organizational cases. One panel member shall be selected by the Office of Student Conduct for disciplinary action through an informal or a formal hearing. Breach of a mediated agreement may result in a follow up mediation session or the matter may be referred back through the conduct process at the discretion of the Office of Student Conduct.

(c) Informal Hearing: At the discretion of the Office of Student Conduct, violations found not to warrant a formal hearing may be referred to an informal hearing. At the informal hearing the charged student organization has the opportunity to meet with an Office of Student Conduct staff member and accept responsibility for the charges of violation of the Organizational Rules of Conduct. At the informal level the matter will be settled by the following outcomes: punitive sanction (warning, probation, or restrictive probation) as well as educational sanctions (papers, seminars, community service, etc.). If the matter is not settled informally, the case will be resolved through a formal hearing.

(d) Formal Hearing: If an alleged violation of the Organizational Rules of Conduct is not dismissed or otherwise resolved, then the Office of Student Conduct shall present in writing formal charges to the student organization. The charged student organization may request either a panel or administrative hearing. In cases of alleged Harmful Behavior or Sexual Misconduct (see Organizational Rules of Conduct, UCF-5.012) the student organization is required to have a panel hearing. The charged student organization’s hearing shall only be open to the charged student organization’s chief officer, their advisor, the hearing body, witnesses (when called upon), a representative from the Office of Student Conduct, and a university staff member from an appropriate office (Office of Student Involvement, Office of Fraternity and Sorority Life, Recreation and Wellness Center, etc.).

(3) Formal Hearings. There are two types of formal hearings – panel hearings and administrative hearings.

(a) Panel Hearings.

1. A panel to consider an organizational case shall be comprised of members from the Office of Student Conduct Student Conduct Board. The panel shall consist of two (2) faculty and administrative staff members combined and two (2) student members that have been trained by the Office of Student Conduct to hear organizational cases. One panel member shall be selected by the Office of Student Conduct for disciplinary action through an informal or a formal hearing. Breach of a mediated agreement may result in a follow up mediation session or the matter may be referred back through the conduct process at the discretion of the Office of Student Conduct.
Conduct to chair the hearing and report the proposed finding(s) and sanction(s), if any, to the Director of the OSC or designee.

2. At hearings conducted by a panel, an Office of Student Conduct staff member shall act as an advisor to the panel. 3. The Director of the OSC or designee may accept the proposed finding(s) of “in violation” or “not in violation” or remand the case for rehearing. If the Director of the OSC or designee accepts the proposed finding of “in violation,” they may approve, mitigate or increase the sanctions proposed by the panel.

4. Any decision by the Director of the OSC or designee to alter sanctions or return a case shall be accompanied by a concise and explicit written statement that explains the basis for that decision.

(b) Administrative Hearings

1. Administrative hearings shall be conducted by a faculty or staff member from the Student Conduct Board trained by the Office of Student Conduct to hear organizational cases. The charged student organization shall be informed of the hearing officer assigned to its case and shall have the opportunity to challenge the impartiality of the individual within three (3) business days of notification. The charged student organization shall state in writing the basis for such challenge. A hearing officer so challenged will be excused; however, indiscriminate challenges shall not be permitted. In the event that a charged student organization has opted not to challenge the impartiality of a hearing officer prior to the allotted three (3) business days, the assigned hearing officer shall remain as scheduled.

2. At hearings conducted by an administrative hearing officer, an Office of Student Conduct staff member shall act as an advisor to the administrative hearing officer. The Director of the OSC or designee shall receive the administrative hearing officer’s proposed finding(s) as to "in violation" or "not in violation" of the Organizational Rules of Conduct, and consider any sanctions proposed by the administrative hearing officer.
3. The Director of the OSC or designee may accept the proposed finding(s) of “in violation” or “not in violation” or remand the case for rehearing. If the Director of the OSC or designee accepts the proposed finding(s) of “in violation,” they may approve, mitigate or increase the sanctions proposed by the administrative hearing officer.

4. All staff memoranda submitted.
5. All items of physical or written documentation submitted, provided such items are not returned to a rightful owner. In that case, photographs or other facsimiles shall be made before return.
6. The finding(s) and recommended sanction(s), if any, by the hearing panel or administrator.
7. The Director of the OSC’s decision.

(4) Student Organization Rights during the Formal Conduct Review Process. The following rights shall be explained to the charged student organization before the commencement of a formal disciplinary hearing:

(a) The charged student organization shall be afforded written notice, at least five (5) business days prior to a formal hearing, unless waived in writing. Written notice sent to the chief student officer of the charged student organization’s electronic and/or physical address shall constitute full and adequate notice. Written notice shall include:
   1. The name of the organization, the chief student officer’s name and organization’s address, if applicable.
   2. Date, time and location of the formal hearing
   3. Alleged Organizational Rule of Conduct Violation(s) known at the time formal charges are prepared.
   4. Names of potential witnesses known at the time that formal charges are prepared.
   5. A description of any physical or written documentation known at the time charges are prepared.

Provided that the required notice stated above has been given to the student organization along with its representative(s) but a representative failed to attend a scheduled formal hearing without providing a satisfactory reason for the absence, the organization may be placed on immediate social probation until such time as the organization completes the formal hearing and any further steps in the conduct process. The organization will also not be able to update its registration while on social probation.
(b) The student organization may have at their own expense and initiative, an advisor present at the hearing. It is the student organization’s responsibility to make appropriate arrangements for the advisor to attend the hearing, and the hearing shall not be delayed due to scheduling conflicts of the chosen advisor. The advisor may be present to advise the student organization but shall not speak for or present the case for the student organization or otherwise participate directly in the proceeding. A student organization may consult with their advisor at any time during the hearing. This consultation must take place in a manner that does not disrupt the proceedings. A student organization’s advisor must not be connected to the actual conduct case or a related case. In addition, an advisor may not serve as a witness. If the advisor does not adhere to their defined role in the student conduct review process, they may be removed from the hearing. The Office of Student Conduct shall maintain a list of impartial advisors and resources available to the student organization.

(c) All hearings shall be conducted on the basis that the charged student organization is not in violation until the preponderance of evidence proves otherwise. At a student conduct organizational hearing, the technical rules of evidence applicable to civil and criminal cases shall not apply. The burden of proof in a student conduct hearing is not on the student organization charged with a violation of the Organizational Rules of Conduct.

(d) The student organization's chief officer may inspect any information presented in support of the charges. Information may be presented in support of the charged student organization.

(e) The university cannot compel any person serving as a witness to attend a student organizational hearing. However, all parties to a student organizational conduct hearing may arrange for witnesses to voluntarily present relevant information during the proceeding. Pertinent information may be accepted as information for consideration by the person or body conducting the student organizational formal hearing. The student organization may hear and question adverse witnesses who testify at the student organizational formal hearing.

(f) The student organization shall not be forced to present information that incriminates its individual members; however, the University is not required to postpone disciplinary proceedings pending the outcome of any civil or criminal prosecution.
(g) The proposed finding(s), as well as the Director of the OSC’s determination, of "in violation" or "not in violation" on the charges shall be based solely on the information presented at the student organizational formal hearing.

(h) Only when the proposed finding of the hearing body find the student organization is in violation, will prior conduct history be reviewed and potentially affect proposed sanctioning.

(i) The final decision shall be furnished in writing to the student organization within four (4) business days following the hearing (the deadline can be extended by mutual agreement of the charged student organization and the Director of the OSC or designee).

(j) The student organization's registration status shall remain unchanged pending the University's final decision in the matter except in cases where the VP of SDES or designee determines that the safety, health, or general welfare of any individual, or any part of the University may be involved.

(5) Additional Procedures in Cases of Sexual Misconduct. Where a student organization is charged with Sexual Misconduct, the procedures outlined in UCF-5.006(9) (e) will apply in addition to the procedures of the Student Conduct Review Process.

(6) Sanctions for Student Organizations

(a) Organizational Warning: An official warning that the organization's behavior is in violation of the Organizational Rules of Conduct and that if the organization is subsequently found in violation of a rule, subsequent action may be more severe.

(b) Organizational Probation: A period of time during which any further violation of the Organizational Rules of Conduct puts the student organization’s status with the University in jeopardy. Restrictive conditions may also be imposed as part of disciplinary probation and will vary according to the severity of the offense. Restrictive conditions may include barring or limiting some or all of the organization's activities and/or privileges (including, but not limited to: social activities; intramural competition; organizational competition; Homecoming; eligibility to receive any University award or honorary recognition; privilege to occupy a position of leadership or responsibility in any University student organization governing body, publication, or activity; or ability to represent the University in an official capacity or position). If a student organization
(c) Organizational Suspension: A period of time in which the student organization loses its University recognition and/or registration. While on organizational suspension, the organization may not use University resources or facilities, including any on campus fraternity or sorority house. The organization may not participate in any University activities or events unless authorized in writing, in advance, under conditions approved by the Director of OSC or designee. The terms of suspension also includes but are not limited to, hosing or participating in any on or off campus events, intramurals, socials, or mixers. The organization may not recruit or initiate any new members. While on suspension, the organization is only permitted to conduct meetings designed to work towards the completion of any educational sanctions. The organization must comply with all sanctions prior to being registered or recognized again.

(d) Revocation of UCF Registration: Permanent severance of the organization's relationship with UCF.

(e) Recommendation for Charter Revocation: An official request to a national office that the local chapter's charter be revoked.

(f) Educational Sanctions: In conjunction with any sanction listed above, a student organization found to have been in violation of any of the Organizational Rules of Conduct will be assigned educational sanctions that are proportional to the violation such as, but not limited to: reflective/research papers, classes/seminars, community service, restitution, interviews, etc. If a student organization has any outstanding educational sanctions at the conclusion of disciplinary probation or suspension, the disciplinary probation or suspension will remain in effect pending completion of the educational sanctions.

(7) Appeal within the Student Organization Review Process

(a) A student organization found in violation as a result of a hearing may appeal the finding(s) and sanction(s) imposed. The appeal must be made in writing to the Appellate Officer (VP of SDES or designee) within seven (7) business days after the date the student organization was notified of the hearing decision by the Director of the OSC.
(b) Student organizations may appeal the finding(s) and sanction(s) imposed on the basis of one or more of the following:

1. Irregularities in fairness and stated procedures of the hearing that substantially affected the outcome of the hearing.
2. Discovery of new and significant information that would be likely to change the outcome of the hearing and that was not known or could not reasonably have been discovered and/or presented at the time of the initial hearing.
3. The sanction(s) are extraordinarily disproportionate to the violation(s).

(c) On the appeal form, the student organization must state the reason(s) for appeal, the supporting facts, and the recommended solution. This is not a re-hearing of the conduct case. An appeal cannot be filed simply because a student organization is dissatisfied with the decision. Failure to describe the nature of the information in full detail in the appeal letter will result in the denial of an appeal.

(d) The Appellate Officer shall first determine if sufficient grounds for appeal exist and then, if so, may either deny the appeal, thus sustaining the initial decision and sanction(s), or do one of the following:

1. If the student organization alleges that the sanction was disproportionate to the violation(s) and the appellate officer finds the sanction to be disproportionate, the appellate officer may reduce the sanction; or
2. If the student organization that there was a defect in procedure or new information was presented which was sufficiently substantial to have affected the outcome, the appellate officer will order a new hearing.

(e) The student organization shall receive a written decision to the appeal. There is no definitive timeline for receiving an appeal response. It depends on many factors including the complexity of the case and the information mentioned in the appeal, as well as the Appellate Officer's appeal load at that particular time. Decisions of the VP of SDES or designee reflect final agency action.

(f) If the Appellate Officer upholds the original findings, the effective date of any disciplinary sanction(s) imposed will revert back to the date of the Director of OSC’s final decision letter.
(8) **Student Organization Disciplinary Sanction Review**

(a) Upon completion of one semester of the disciplinary probation or disciplinary suspension (not applicable for one semester probation or suspensions) and upon completion of all educational sanctions/requirements, a student organization has the opportunity to request modification of their disciplinary probation or suspension status through the Community ReEngagement and Educational Development (CREED) Program.

(b) Requests must be submitted to the Director of the OSC or designee via an online Student Organization CREED Program Submission form that can be found at [http://www.osc.sdes.ucf.edu](http://www.osc.sdes.ucf.edu). This request may only be submitted once a semester.

(c) The CREED Program is designed for student organizations to have the opportunity to demonstrate that in the period following a violation of the Organizational Rules of Conduct, they have taken steps to become productive and engaged members of the UCF community. Student organizations that simply fulfill the minimum requirements of their sanction(s) will not be eligible for the CREED Program.

(d) A CREED Program application should include information such as the following:

1. Reflection Essay
2. Faculty/Staff/Advisor (Academic or Organization) Letter of Recommendation
3. Community Service
4. Fraternity and Sorority Life (FSL) Letter of Support (*Greek Affiliated Student Organizations Only*)
5. Proof of Counseling/Assessment (*If applicable*)

(e) Upon receipt of the CREED Program packet, the Director of the OSC or designee will review to determine whether or not the student organization meets the criteria for review. If the Director of the OSC or designee agrees that the student organizations request meets any or all of the above mentioned criteria, the student organization will be contacted within fourteen (14) business days to schedule a “CREED review meeting” with a committee appointed by the Director of the OSC or designee, comprised of faculty, staff and students.

(f) Prior to this meeting, the committee will have reviewed the packet and will prepare 10-15 questions to be addressed, as well as provide the opportunity to further discuss why
the applying organization disciplinary probation or suspension status should be altered or terminated. No alterations shall be made to include new or increased sanctions. Should the committee feel that further information and/or documentation is necessary in order to render a recommendation, the review may be temporarily recessed. A time frame of not more than two (2) weeks will be given to the organization to produce requested information and/or documentation. Upon receipt of the requested information and/or documentation, the committee will reconvene the review with the organization.

(g) After the meeting, the committee will issue a recommendation to the Director of the OSC or designee. The Director of the OSC or designee will provide a decision to the student organization in writing within five to seven (5-7) business days of receiving the recommendation.

(h) If the request is denied by the Director of the OSC or designee the decision shall include a concise and explicit written statement that explains the basis for that decision.

(i) There is no appeal process for a Student Organization Disciplinary CREED Review meeting decision.
UCF-5.015 Student Academic Behavior Standards

(1) The Office of Undergraduate Studies, College of Graduate Studies, Registrar’s Office, and the Office of Student Rights and Responsibilities will review this regulation periodically.

(2) UCF is committed to a policy of honesty in academic affairs. Conduct that comprises a breach of this policy may result in academic action and/or disciplinary action. Academic action affects student assignments, examinations or grades. Disciplinary action could affect student enrollment status.

(3) Academic misconduct includes but is not limited to cheating, plagiarism, assisting another in cheating or plagiarism, and commercial use of academic materials. Violations of academic misconduct on the undergraduate and graduate level are listed and defined in the Rules of Conduct (UCF-5.008)

(4) When an instructor becomes aware of an alleged violation of student academic misconduct and before any academic action is taken, the instructor must:

   (a) document the alleged violation(s) through the Academic Misconduct Report Form (AMR), available at http://osc.sdes.ucf.edu;

   (b) discuss proposed action with the department chair prior to student notification;

   (c) attempt to notify the student within 10 business days of becoming aware of the alleged violation of academic misconduct; and

   (d) attempt to meet with the student, whether in person or virtually, to discuss the incident and to complete the remainder of the AMR form. The instructor can recommend one of the following options through the Office of Student Conduct:

      1. Documentation only with an Academic Integrity Workshop
      2. Initiate the Conduct Review Process
(5) After the AMR form is completed by the instructor, the following steps will be taken:

(a) The AMR form and all supporting documentation will be submitted to the department chair or unit head.

(b) The instructor will forward the form to the Office of Student Conduct (Ferrell Commons 7G 227).

(c) If the student accepts responsibility for the academic misconduct and the recommended action is “Documentation only with an Academic Integrity Workshop”, the following steps shall include:

1. the student and the instructor of record review the allegation(s) and sign (physically or virtually) the completed AMR form;

2. the instructor files the AMR form with the Director, Office of Student Conduct (http://osc.sdes.ucf.edu/reporting);

3. the student must complete the Academic Integrity Workshop through the Office of Integrity and Ethical Development;

4. an Office of Student Conduct hold will be placed on the student’s record until the Academic Integrity Workshop requirements are completed.

(d) If the student accepts responsibility for the academic misconduct and the recommended action is “Initiate the Conduct Review Process”, the final resolution will come from an Academic Integrity Panel following a formal hearing.

(e) If the student does not accept responsibility for the academic misconduct; or the reported violation of Academic Misconduct is deemed especially egregious; or the student has previously been documented for an Academic Misconduct violation, the student will be required to attend an Academic Integrity Panel as defined in UCF-5.007 (4)(a).
(f) The Director of Student Conduct has the ability to change the instructor’s recommended action if the violation is particularly egregious or if the student has been previously reported for violating the academic misconduct policy.

(g) Undergraduate students found “in violation” will be prescribed conduct sanctions appropriate to the findings and recommendations of the Academic Integrity Panel. The Office of Student Conduct will report the hearing outcome from the academic integrity hearing back to the instructor, department chair and college dean who will, with consultation with the college, determine if further course sanctions should be imposed. If the undergraduate program recommends further course or program action, the undergraduate program must notify OSC and Academic Services. Final results of the academic integrity panel hearing and/or course or program action must be made available to the student within fourteen (14) business days.

(h) Students found “not in violation” will be notified within fourteen (14) business days. The Office of Student Conduct will report the findings back to the instructor, department chair, and college dean. Students may have their proposed course sanctions removed and the instructor may determine a new grade since no violation was found.

(i) For graduate students found “in violation”, the OSC notifies the Dean of the Academic College in which the graduate program resides. They will in turn notify the graduate program that a student was found in-violation and ask if the program wishes to invoke any program-level academic sanction(s). The student’s graduate program will determine if program sanctions are necessary. If they are deemed necessary, recommendation of program sanction(s) will be made using the Probation/Dismissal Form and/or Conditional Retention Plan. This information will be forwarded to the College of Graduate Studies. The OSC will be notified if the graduate program recommends additional program sanctions. The results of any formal hearing and/or program action(s) should be available for the student within fourteen (14) business days.
Graduate students found “not in violation” of academic misconduct may have their proposed course sanctions removed and the instructor may determine a new grade since no violation was found.

Students found “in violation” as the result of an Academic Integrity Panel hearing may appeal the finding(s) and sanction(s) imposed by the Director of the OSC. The appeal must be made in writing to the appellate officer (Provost or designee) within seven (7) business days after the date the student was notified of the decision by the Director of the OSC. Students may appeal the finding and sanction(s) imposed on the basis of one or more of the following:

1. Irregularities in fairness and stated procedures of the hearing that could have affected the outcome of the hearing.

2. Discovery of new and significant information that could have affected the outcome of the hearing and that was not known or could not reasonably have been discovered and/or presented at the time of the hearing.

3. The sanction(s) are extraordinarily disproportionate to the violation(s).

The student shall receive a written decision to the appeal. There is no definitive timeline for receiving an appeal response. It depends on many factors including the complexity of the case and the information mentioned in the appeal, as well as the appellate officer’s appeal load at that particular time. Decisions of the Provost or designee reflect final agency action.

Undergraduate students may appeal program sanctions provided by the student’s undergraduate program, per UCF-5.016. Graduate Students may appeal program sanctions provided by the student’s graduate program, per UCF-5.017. Students found “in violation” for academic misconduct are not eligible for academic appeal regarding the final grade issued by the course of the reported violation.
(6) Z Designation for Academic Misconduct

(a) A Z designation is to denote a student was found “in violation” of academic misconduct while enrolled in a course. A Z designation does not affect a student’s grade point average.

(b) Z designations will remain on a student’s transcript if:
1. The student is found “in violation” of academic misconduct and the punitive sanction is suspension for one or more semesters or expulsion; or
2. The student is found “in violation” of academic misconduct twice during their UCF academic career.
   a. The punitive sanction received in either academic misconduct case has no bearing on the Z designation being permanently placed on the student’s transcript.
   b. A Z designation will be placed in association with both courses in which the student was found “in violation” of academic misconduct.

(c) If a student is found “in violation” of academic misconduct a Z designation will be placed on their transcript in association with the final course letter grade recorded (ex. ZA, ZB, ZC, ZD, ZF).

(d) A Z designation will be denoted on the student’s transcript as a ZW if a student withdrew from the course prior to the conclusion of the conduct process and was subsequently found “in violation” of academic misconduct.

(e) OSC will communicate with the Registrar’s Office to have Z designations placed on student’s transcript following the conclusion of the Conduct Review Process.

(f) Students have the opportunity to improve the letter grade recorded in association with a course in which they were found “in violation” of academic misconduct through the use of grade forgiveness. The Z designation however will still remain on the student’s transcript.

(g) A student can attempt to have a Z designation permanently removed through participating in an Academic Misconduct Disciplinary Sanction Review.
UCF-5.016 Student Academic Appeals

(1) Scope. This regulation shall apply to:

(a) Undergraduate and graduate student appeals of grades (typically limited to final grades) resulting from an instructor’s:
   1. Alleged deviation from established and announced grading policy;
   2. Alleged errors in application of grading procedures; and
   3. Alleged lowering of grades for non-academic reasons, including discrimination.

(b) The professional judgment exercised by an instructor in assigning a specific grade or in conducting a class is excluded from the provisions of this rule except as noted above.

(c) Appeals of graduate programs actions or decisions by a faculty member, program, or college, including termination from an academic program, are discussed in the following section.

(2) General Policy. The following assumptions are adopted:

(a) Students are entitled to a fair, timely, and open resolution of academic appeals.

(b) Faculty members and administrators are entitled to a fair, timely, and open forum in defense of their action.

(c) Students have access to published materials and student government representatives to help them become familiar with and understand procedures for handling academic appeals.

(d) Faculty members and administrators have access to published materials and University staff to help them be aware of and understand procedures to address academic appeals.

(e) Resolution of student academic appeals should be made as informally as possible.

(f) The University as an institution and its faculty are entitled to procedures that ensure the maintenance of academic standards.

(g) The appropriate forum for discussion or alteration of academic matters is the academic unit responsible for these matters.
(3) Resolution of Student Appeals at Informal Level

(a) Step 1: All student academic appeals of allegedly wrongful academic action(s) by an instructor or administrator shall first be brought to the attention of the person whose action is being appealed. (The instructor of the course or administrator whose action is being appealed will be referred to in this regulation as the Responding Party.) This action must be initiated within one semester of the alleged wrongful action or grade. The parties should attempt to resolve the problem in a timely and satisfactory manner. If dissatisfied with the decision of the Responding Party, or if that person is not available, the student must first continue to pursue an informal solution with the unit head, usually the chair or director of the unit.

(b) Step 2: The unit head or supervisor, in consultation with the Responding Party, should make every effort to communicate with the student and resolve the problem. When classes are in session, this communication shall normally take place within 10 business days of the complaint being brought to the unit head or supervisor. Between semesters and during the summer term, this communication may be extended ten days into the new semester. The unit head or supervisor will provide the student with a written decision that includes reference to student academic appeals procedures.

1. When the Responding Party is not available to discuss the problem, if at all possible, the resolution should wait until such time as the Responding Party can return to the campus, but not more than six months.

2. If the unit head or college dean or designee determines that an emergency exists requiring that the problem be solved prior to the availability of the Responding Party (e.g. in a case of probable delayed graduation), the unit head or dean or designee shall make every reasonable effort to inform the Responding Party of the situation. The Responding Party may elect to submit a written statement and/or to designate a replacement to aid in solving the problem.
3. If the Responding Party cannot be reached or does not designate a replacement, and the complaint must be dealt with promptly, then the unit head or dean or designee shall act on behalf of the Responding Party.

(4) Resolution of Student Academic Appeals at the College Level

(a) Step 3: If not satisfied with the resolution of the complaint proposed by the unit head or supervisor, the student should consult with Student Government Association’s Judicial Advisor or designee, who shall furnish advice to the student’s rights and responsibilities with respect to this policy.

(b) Step 4: Within 10 business days of receipt of the unit head’s or supervisor’s decision, if the student wishes to file a formal appeal, the student must contact the dean’s office of the college in which the action occurred and schedule an appointment with the dean or a designee. That individual will informally review the student’s concerns, counsel the student on his/her options, and explain the formal Student Academic Appeals process.

(c) Step 5: If the student is not satisfied with the outcome of the consultation with the administrator, within 10 days of their meeting or conversation, the student may appeal in writing to the Student Academic Appeals Committee. This committee will determine the legitimacy of the awarded grade and if appropriate, suggest a resolution. The student’s written appeal shall include the basis of the original complaint, the dates when the instructor, unit head, administrator, or supervisor, discussed the problem with the student, and the suggested resolution at that time.

(5) Composition of the Student Academic Appeals Committee

(a) Each college shall establish a Student Academic Appeals Committee whenever required.

(b) The committee shall be made up of at least three and no more than five tenure-earning or tenured faculty members and an equal number of students.

(c) Student members shall be selected by the dean of the college or designee from a panel of no less than thirty (30) students. This panel shall be appointed by the Vice President of Student Development and Enrollment Services from a list recommended for this purpose by the Student Body President.
(d) Any member may be challenged for cause by either party. The validity of such challenges shall be decided by the Office of Student Rights and Responsibilities. If a challenge is upheld, the college dean or designee shall appoint a replacement from the college’s tenured and tenure-earning faculty or the student panel.

(e) The college dean or designee shall assemble the Student Academic Appeals Committee to conduct a formal review of the student academic appeal.

(6) Formal Review of a Student Academic Appeal

(a) In conducting a formal review, the Student Academic Appeals Committee shall adhere to the following guidelines:

1. The time limits specified in the following review procedure may be extended by mutual agreement of the parties.

2. The committee shall not be officially convened to review the appeal until the Responding Party, or substitute/replacement, has received a copy of the appeal and has had at least 5 business days to submit, if desired, a response or additional information. The student will be provided with a copy of any material submitted by the Responding Party at least 5 business days before the committee meets to review the case.

3. The committee should make every reasonable effort to meet for review of the case within 20 business days after receipt of the student’s written appeal and any information provided by the Responding Party and/or unit head.

4. The committee will function as an objective, fact finding body when examining all available and relevant information concerning the student’s appeal of academic action by the Responding Party. Such information shall include the student’s written appeal, written and/or oral information provided by the Responding Party, statements made by both parties before the committee, and any other information the committee may deem relevant.

5. The college dean or designee will convene the committee, establish procedural rules for conducting the meeting, serve as its chair, and will
vote in the case of a tie. The meeting is not covered by Sunshine laws, and is thus closed to outside parties.

6. The student and Responding Party shall be invited to meet with the committee. Each shall be allowed adequate time to respond to the appeal and material as submitted, to answer any questions from committee members, and to present additional information needed to clarify the issues involved.

7. After meeting with both parties, the committee shall vote on the validity of the student’s appeal and if appropriate, develop its recommendations. The committee chair will ensure that the committee's majority opinion is recorded and forwarded to the college dean.

(b) The college dean shall render a decision within 10 business days of the conclusion of the committee hearing. Copies of the committee’s recommendations and the dean’s decision shall be made available to both parties concerned, to the provost, and all other involved parties and departments.

(7) Final Appeal

(a) Step 6: If dissatisfied with the college dean’s decision, the student may, within 10 business days, file a written request for review with the dean of undergraduate studies or the dean of graduate studies (depending upon the classification of the student), stating the basis for review and the resolution sought by the student.

(b) Acting as the University President’s representative, the Dean of Undergraduate Studies or the dean of graduate studies shall make a final decision on the matter within 10 business days of receipt of the student’s request for review. Copies of the dean’s written decision shall be sent to the student, the college dean, the chair, the Director of OSC, the Responding Party, and other involved parties.
UCF-5.017 Appeals of Graduate Program Actions or Decisions

(1) Review of Academic Performance.

(a) The primary responsibility for monitoring a student’s progress to degree rests with the degree program, although the College of Graduate Studies may also monitor a student’s progress and take appropriate actions if performance standards as specified by the program and university are not maintained. Satisfactory progress to degree requires an ongoing evaluation of a student’s performance in a program as indicated by satisfactory grades within courses, successful performance on program competency exams, progress in thesis and dissertation research, the maintenance of the standards of academic and professional integrity expected in a particular discipline or program, and any other measures of progress as customarily used in the program. Academic probation or even dismissal of the student from the program may occur when the individual is not making satisfactory progress to degree.

(b) A degree program may also recommend dismissal if the student fails to maintain the standards of academic and professional integrity as well as competence necessary for the welfare of patients, clients, or others encountered in internships, externships, or other classes required by the degree program.

(c) However it is incumbent on the degree program to give the student an opportunity to discuss the pending action with the program director prior to making a recommendation of dismissal. The Dean and Vice Provost of the College of Graduate Studies has final authority over dismissal recommendations and will execute them accordingly. Once dismissed, a student may apply to UCF as a student in another degree program, or as a non-degree student who is prohibited from taking courses in the program from which he/she were dismissed. However a student can only be reinstated to his/her previous degree program by either submitting a new application to the program with a new admissions decision, or through a formal grievance process. (See Grievance Procedures in following section).
(2) **Grievance Procedures.** Graduate students disputing the evaluation of their progress to degree, as described above, have several routes of appeal depending on the nature of the grievance.

(a) In the appeal of a grade in a specific course (excluding thesis or dissertation courses) students are referred to Regulation UCF-5.016 for the appeals procedures.

(b) For issues resulting from a failure to maintain academic behavior standards such as cheating, plagiarism, etc., students are referred to Regulation UCF 5.015 (and, as appropriate, student conduct review procedures).

(c) Misconduct associated with research will follow procedures determined by the Office of Research and Commercialization.

(d) All other grievances follow the Procedure for Other Grievances of Graduate Students as outlined below.

(3) Procedure for Other Grievances of Graduate Students. This procedure is intended for graduate students having complaints regarding specific actions or decisions by a faculty member, program or college, including termination from an academic program for reasons that are not covered in Section 2 above. The graduate student should first discuss the matter within the academic unit of the grievance and attempt to resolve the grievance informally. If the informal resolution fails, the formal procedure is as follows:

(a) The graduate student requesting consideration of a grievance, must state the nature of the grievance in writing to the graduate program director, within six months of the date of the occurrence of the aggrieved action. The statement should include a brief narrative of the grievance, the parties involved, and a statement of the remedy being requested.

(b) Dependent on the nature of the grievance, the graduate program director will in ten business days following receipt of the grievance either make a recommendation about the grievance to the unit head or refer the grievance to the unit/program graduate committee to examine the issue at their next scheduled meeting. The unit/program graduate committee may invite the aggrieved student and others having information about the case to attend the meeting and present information and arguments about the grievance. If so invited, the graduate
The student can have a personal advisor at the meeting, but the advisor can only confer with the student and not participate in the committee meeting. The unit/program graduate committee will make a recommendation about the grievance to the graduate program director.

(c) The graduate program director will consider the input of the unit/program graduate committee and make a recommendation to the unit head about the grievance. The unit head will then make a final decision about the grievance at the program/unit level and inform the student of the decision within ten business days after receiving the recommendation from the graduate program director.

(d) Should the graduate student disagree with the decision of the unit head, the student has ten business days to file a written appeal of the decision with the academic college graduate coordinator (or the Associate Dean of the College of Graduate Studies in the case of interdisciplinary programs with no academic college assigned to oversight of the program). It is incumbent on the student to explain in the appeal why the unit/program decision is in error and should be reexamined. Dependent on the grievance, the academic college graduate coordinator will in ten business days following receipt of the appeal, either make a recommendation to the college dean about the grievance, or refer the grievance to the college graduate committee to examine the issue at their next scheduled meeting. The college graduate committee may invite the aggrieved student and others having information about the case to attend the meeting and present information about the grievance. If so invited, the graduate student can have a personal advisor at the committee meeting, but the advisor can only confer with the student and not participate in the committee meeting. The college graduate committee will make a recommendation about the grievance to the college graduate coordinator.

(e) The academic college graduate coordinator after considering the input of the college graduate committee will make a recommendation to the college dean about the grievance. The college dean will then make the final decision about the grievance at the academic college level, and inform the student of the decision.
within ten business days after receiving the recommendation from the college graduate coordinator.

(f) Should the graduate student disagree with the decision of the academic college dean, the student has ten business days following receipt of the college decision to file a written appeal of the decision at the university-level with the Vice Provost and Dean of the College of Graduate Studies. It is incumbent on the student to explain in the appeal why the academic college decision is in error and should be reexamined. Dependent on the appeal, the Vice Provost and Dean will within ten business days following receipt of the appeal either make a decision about the grievance or refer the appeal to the Appeals Subcommittee of the Graduate Council to examine the issue at a scheduled meeting. The Appeals Subcommittee may invite the aggrieved student as well as others having information about the grievance to attend and present information about the grievance. If so invited, the graduate student can have a personal advisor at the meeting, but the advisor can only confer with the student and not participate in the committee meeting. The Appeals Subcommittee will submit a recommendation to the Vice Provost and Dean concerning the grievance.

(g) The Vice Provost and Dean of the College of Graduate Studies will consider the input of the Appeals Subcommittee of the Graduate Council and make a final decision about the grievance for the university. There is no appeal beyond the level of Vice Provost and Dean as this person is vested with the final authority by the President of the University.
(1) Student Record Guidelines

Student records submitted become the property of the University and cannot be returned to the student or released to a third party. Copies of student records will be released only upon receipt of a written request signed by the student. Student records are stored in paper form or are digitally scanned. Once the student has been absent from the University for three academic years, all records are transferred to optical disk storage and the paper copies destroyed.

(a) Family Educational Rights and Privacy Act (FERPA)

The procedures for protecting the confidentiality of student records are based on state regulations and the federal Family Educational Rights and Privacy Act of 1974. FERPA affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student’s education records within 30 days of the day the University receives a written request for access. Students should submit to the University Registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they desire to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed;

2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading. The student may ask the University to amend a record that he or she believes is inaccurate or misleading. The student should write the University official responsible for the record, clearly identify the part of the record to be changed, and specify why the current record is inaccurate or misleading.
If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing;

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility;

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by a State University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington DC, 20202-4605

5. Directory Information FERPA authorizes the University to classify certain information concerning students as “directory information,”
which means that it may be released to anyone upon request. In accordance with Florida Statutes Section 228.093, the University is required to release student directory information to independent vendors upon request. Directory information at UCF includes:

- Name;
- current mailing address;
- telephone number;
- e-mail address;
- date of birth;
- major field of study;
- dates of attendance;
- enrollment status;
- degrees and awards received;
- participation in officially registered activities and sports; and
- athletes height and weight.

All other student information will be released in accordance with FERPA; in most cases this requires the student’s prior written and signed consent. The University extends to students the opportunity to withhold any or all information, including “directory information.” To do this, students must complete the “Directory Disclosure/ Release Authorization” form available at the Registrar’s Office (MH 161) or online at http://registrar.ucf.edu, requesting that this information be withheld. The Golden Rule outlines the University procedures for confidentiality. For additional information describing FERPA policy, enter the Department of Education Family Policy Compliance Office website at http://www.ed.gov/offices/OM/fpco/.

(2) Student Communication Responsibility Policy

(a) To communicate in a more expedient manner, UCF uses e-mail as the primary means of notifying students of important university business and information
dealing with registration, deadlines, financial assistance, scholarships, tuition and fees, etc.

(b) To avoid missing important communications from the university, students must ensure that the university has an up-to-date “preferred” e-mail address, as well as both a permanent and mailing (local) address.

(c) It is critical that students maintain and regularly check their “preferred” e-mail account for official announcements and notifications. Communications mailed to a student’s “preferred” e-mail address are considered official notice. The university does not accept responsibility if official communication fails to reach a student who has not notified the university of a change of e-mail or mailing address.

(d) Please ensure that your e-mail address, as well as your permanent and mailing (local) address and telephone number are current with the university at all times.

Students can update their contact information on the web at: http://my.ucf.edu
Drug-Free Policy Statement

(1) Drug-Free Workplace/Drug-Free Schools Policy Statement

This is a statement of the standards of conduct and disciplinary sanctions to be imposed for the unlawful possession, use or distribution of illicit drugs and alcohol by UCF students and employees on UCF property or as part of any of its activities. The unlawful manufacture, distribution, dispensation, possession or use of a controlled substance or the unlawful possession or use of alcohol is prohibited in and on UCF owned and controlled property or as part of any of its activities. Any UCF employee or student determined to have violated this policy shall be subject to disciplinary action for misconduct, action which may include termination or expulsion and referral for criminal prosecution. No employee or student is to report to work, class or any University activity while under the influence of illegal drugs or alcohol. Violation of these policies by an employee or student will be reason for evaluation and possible intervention or treatment for alcohol and other drug abuse or dependency disorders. The University’s alcoholic beverages policy is stated below.

(2) Campus Alcoholic Beverages Policy

(a) Policy- The sale, service, possession, and consumption of alcoholic beverages shall comply with state and federal laws, city and county ordinances, and the licensing agreement with on-campus distributors which allows for the sale and service of alcoholic beverages. In addition, the University has formulated the following policies governing the sale, service, possession, and consumption of alcoholic beverages on campus.

(b) Guidelines- The sale or service of alcoholic beverages to persons younger than 21 years of age is prohibited.

1. Possession or consumption of alcoholic beverages is prohibited by persons younger than 21 years of age.

2. Possession or consumption of alcoholic beverages in open or unsealed containers is prohibited, except in designated areas or as approved with special events.
3. Individuals are responsible for their actions, regardless of whether or not their mental or physical state may be affected by mind-altering chemicals such as alcohol and other drugs.

4. Student organizations may develop more stringent regulations regarding alcohol use.

(c) Location- The sale of alcoholic beverages on the University campus may be permitted only in licensed areas by licensed on-campus distributors.

1. The sale or service of alcoholic beverages to individuals of legal age will be permitted at other select campus locations for catered functions by properly authorized distributors.

2. The serving, possession or consumption of alcohol by individuals of legal age may be permitted in private residential rooms in the residence halls and other on-campus housing, unless otherwise prohibited by the governing organization. Consumption of alcoholic beverages in public or common areas within on-campus residential units shall follow guidelines provided by their governing organization.

(d) Approval Procedure for Student Groups- Prior approvals for students or student organizations to host an event where alcoholic beverages are present in non-licensed campus locations must be obtained from the Senior Associate Vice President and Dean of Students or designee.

1. The following information must be supplied by the student organization and approved by the appropriate University officials, no less than 15 calendar days prior to the event(s). The required form may be obtained from the Office of Student Involvement. These arrangements include but are not limited to:

   a. Sponsoring organization and nature of event;
   b. Date, beginning and ending times and location of event;
   c. Number in attendance and method of registering guests;
   d. Method of designation for those of age/underage;
   e. Contained area where alcohol consumption is permitted;

2. When an event is properly scheduled to take place in a location for which a campus concession holds a license, alcoholic beverages are to be sold through the concession and their license. Groups or organizations that seek to sell beer or wine along with a non-alcoholic choice at other locations on campus must obtain approval to secure a beer or wine license from the Director of Business Services prior to making application for the license. With approval, the license is then to be obtained by the organization from the Alcoholic Beverages and Tobacco Division of the Department of Business Regulations.

(3) Student Organizations

(a) Active registered student organizations must secure in writing permission to serve or consume alcoholic beverages on property owned or operated by the University of Central Florida for the purpose of engaging in any activity to benefit either their own organization directly, or a program that their organization may sponsor, as follows:

1. Student Union and inside the Pegasus Circle - Director of the Student Union or designee
2. Outdoor area immediately adjacent to any building - officially designated building manager for that facility
3. Other outdoor open spaces on the campus - designated sponsors, i.e. Lake Claire - Director of the Recreation and Wellness Center or designee.
4. Inside any building - officially designated building manager for that facility

(b) Permission by active registered student organizations to use any space on each regional campus or its host institution’s campus for the purpose of providing or consuming alcoholic beverages must be secured in writing in advance by the Director of Campus Life on each regional campus.
(4) **Drug/Alcohol Counseling, Treatment, or Rehabilitation and/or Re-entry Programs Available to UCF Student and Employees**

(a) Student Health Services (SHS) provides substance abuse assessment and treatment services for UCF students. Services include psychiatric assessment and treatment as well as substance abuse intervention and treatment. Students have access to these services in the Student Health Center. The SHS substance abuse clinic provides care for students mandated for assessment because of campus conduct violations or legal sanctions.

(5) **Applicable Legal Sanctions Under Federal, State and Local Law for the Unlawful Possession or Distribution of Illicit Drugs and Alcohol**

(a) In the U.S. Department of Justice, Drug Enforcement Agency 1989 edition of Drugs and Abuse the following statement is provided regarding applicable legal sanctions under federal law for the unlawful possession or distribution of illicit drugs. “The foundation of the federal fight against drugs is Title II of the Comprehensive Drug Abuse Prevention and Control Act of 1970, commonly known as the Controlled Substance Act (CSA). The basic Provisions of that law were strengthened by the Congress in 1984 and again with the Anti-Drug Abuse Act of 1986. The CSA provides penalties for unlawful manufacturing, distribution, and dispensing of controlled substances. The penalties are basically determined by the schedule of the drug or other substance, and sometime are specified by drug name, as in the case of marijuana. As the statute has been amended since its initial passage in 1970, the penalties have been altered by Congress.” Florida laws (directed to discourage persons from driving under the influence of drugs or alcohol) have severe penalties including mandatory minimum incarceration sentences. Other sanctions include:

- Suspension or revocation of driver’s license;
- Suspension of vehicle registration and return of license plates, in the case of a multiple offender;
- Mandatory blood testing to determine alcohol or drugs levels; and
- Mandated assessment and counseling, and fines.
(6) **Biennial Review by UCF of its Drug-Free Workplace/Drug-Free School Policy**

**Compliance**

The Division of Student Development and Enrollment Services and Human Resources office will review, on a biennial basis, the effectiveness of the programs stated in its Drug-Free Workplace/Drug-Free Schools Policy Statement and will implement changes to the programs if they are needed in accordance with the Drug-Free Schools and Communities Act amendments of 1989 (Public law 101-226). This review will also be conducted to ensure that the disciplinary sanctions stated in the UCF Policy Statement are consistently enforced.
Office of Student Involvement

(1) Student Activities and Organizations

The University supports a variety of student organizations as a belief in their co-curricular value, their role in the general education of students, and their being an asset to the University community. Opportunities for student involvement in student organizations include student government, academic, honorary, athletics, religious, special interests, cultural, international and service groups. Student organizations play an important role in the total University life and must, therefore, exercise judgment and responsibility in the planning and implementation of their activities. This judgment and responsibility extends to individual members and officers of organizations. Organizations and individuals must also observe certain regulations for rational and effective operation in the University community.

(a) Student Organizations

1 Benefits of Involvement

The University of Central Florida (UCF) recognizes the importance of active and effective student organizations. Research clearly shows that those students who choose to become involved in some form of organized activity do better academically, persist through graduation, and gain valuable career related and life skills, and experience greater personal development when compared to those students who choose not to get involved. These benefits are even more enhanced for those students who take on leadership roles within student organizations.

2 The Ability to Organize

The University encourages students to organize themselves and to pursue personal and/or professional interests. Further, the University supports the choice to form and affiliate with an organization and strives to remove administrative barriers that would hinder such involvement.

3 University Oversight

The University has the responsibility to exercise appropriate oversight over student organizations and their related activities. This includes the official registration of all student organizations through the Office of...
Student Involvement as well as oversight for the appropriate time, place and manner of all activities, events, etc. Policies and procedures related to the conduct of student organizations are presented below.

(2) Approval and Registration of Student Organizations

Any student association, group, or organization other than the Student Government Association is eligible for active registration as a registered student organization. Approval and registration is permitted and completed upon the recommendation of the Student Government Association, the review and concurrence of the Office of Student Involvement, compliance with all registration requirements (including academic requirements for members) and the approval of the Associate Vice President for Student Development and Enrollment Services or designee.

(a) Registration Process

To be considered for approval and registration, a student organization must submit in writing to the Office of Student Involvement a list of UCF student members and their UCF PID numbers, a list of all officers and their UCF PID numbers, the signature of two officers and the faculty/staff advisor(s), and the organization's constitution. Proposed student organizations must have a minimum of twelve UCF student members, exceptions to this rule can be requested and approved by the director of the Office of Student Involvement or designee for Regional Campus Organizations, College of Medicine Organizations, Organizations affiliated with a National Governing Body, and Organizations classified as Graduate. Exceptions to this rule can be requested and approved by the director of the Office of Student Involvement or designee for Regional Campus Organizations, College of Medicine Organizations, Organizations affiliated with a National Governing Body, and Organizations classified as Graduate. A proposed student organization, with a mission/purpose that appears to duplicate that of an existing organization, may not be approved or recognized. No student organization may be set up so that any individual benefits monetarily from its existence.
Privileges of Registration

Student organizations registered by the University may be granted the following privileges:

1. The privilege to use University facilities depending on availability, program and guidelines;
2. The privilege to request Student Government Association activity and service fees provided said organization adheres to the Student Body Constitution, the Student Body Statutes, and all Student Government financial regulations;
3. The privilege to establish dues and sponsor money-raising projects;
4. The privilege to use the University's name as part of the organization's name as per Organizational Rules of Conduct;
5. The privilege to invite guest speakers to campus;
6. The privilege to grant awards and honors to organization members.
7. The privilege of access to campus for recruiting, fundraising, and publicity;
8. The privilege of a free organizational e-mail address and website;
9. The privilege of access to resources provided by university departments and offices;
10. The privilege to apply for cubicle space on campus;
11. The privilege to program with SGA agencies;
12. The privilege to participate, as a group, in University-sponsored events.

In seeking, securing, and maintaining the privilege to be registered, each student organization must agree in writing to abide by all university policies, procedures, and regulations and to hold harmless the University for any actions or activities of the organization. Approval and registration of student organizations by the University shall not imply support for any student organization’s purpose, philosophy or activities. While faculty and staff members of the University serve in advisory capacities to student organizations, it is presumed that students of legal adult age are adults, and therefore, make and are accountable for their decisions and
behaviors as individuals and as members of the organization. The University will not assume any legal liability for any student organization’s activities per Florida Administrative Code.

(3) **Update Forms and Inactive Organizations**
Organizations which have been approved and wish to register with the Office of Student Involvement shall submit an Update Form and attend Orientation. At the beginning of each semester, and within 10 school days of any change of information for the organization (e.g. elections, officer change, advisor change), all active registered student organizations must file an Update Form with the Office of Student Involvement. The report must include a current listing of the organization's membership and officers, the signature of at least two current officers and the faculty/staff advisor(s), and the organization’s contact information. Organizations shall annually attend a mandatory orientation. Organizations that do not turn in an Update Form or do not meet any of the other informational requirements listed above will be considered inactive. Complete membership and officer lists should be made available to the Office of Student Involvement upon request. Changes made to an organization’s existing constitution must be submitted and approved by the Office of Student Involvement. Should an organization fail to register for two consecutive regular semesters (Fall and Spring), that organization shall be considered inactive. Inactive organizations may only be reformed by following the aforementioned organization approval process.

(4) **Funds and Expenditures**
Complete financial statements shall be made available to the Office of Student Involvement upon request. Registered organizations may receive operating and programming funds from Student Government Association through an application process. All approved Student Government Association funding will be disbursed and expended through the Activity and Service Fee Business Office. Student organizations receiving funds must comply with Student Government, Activity and Service Fee Business Office, and Office of Finance and Accounting Guidelines. In the event an organization is inactive,
organizational funds shall be distributed as per its constitution, but cannot be
distributed to an individual or other student organization.

(5) **Membership**

Membership in any student organization is limited to any student who is paying
activity and service fees and is currently or continuously enrolled with the
University of Central Florida. Organizational membership requirements must
also be satisfied. UCF employees may be non-voting members if the
organization’s national constitution and by-laws allow for it. In order to comply
with the University's commitment to non-discrimination, all students who enroll
at the University will be assured equal access to educational programs and
related opportunities without regard to race, color, religion, sex, national origin,
age, disability, marital status, sexual orientation, gender identity, gender
expression, and veteran status

(6) **Student Eligibility for Leadership and Officer Positions**

(a) In order to be approved and registered an organization must have at least two
officer positions listed in their constitution.

(b) The University has established the following minimum requirements for service in
student leadership positions. Such positions may be elected or appointed and shall
include without limitation, only as the University deems appropriate in its sole
discretion, student government officials, officers of active registered student
organizations, members of University department- sponsored groups, and members of
University committees. Student leadership positions which require current enrollment
in a specific academic program must fulfill the academic requirements of the program
in maintaining satisfactory academic progress towards degree completion as
determined by the University Registrar. These minimum requirements may be
reviewed for waiver only under extraordinary circumstances as deemed appropriate
by the University in its sole discretion.

1 During fall and spring semesters, a student leader must be currently
enrolled as an activity and service fee-paying half-time student (currently
defined as at least six (6) credit hours as an undergraduate degree- seeking
student or a post-baccalaureate student, or at least five (5) credit hours in a
graduate degree-seeking program or at least three (3) credit hours if registered for dissertation or thesis hours). The student is not required to be enrolled during summer term; however, the student must be continuously enrolled for the minimum number of hours stated above during the preceding spring semester and following fall semester. Exceptions shall be made, upon appeal, for students in their last semester prior to graduation.

A student leader must have a minimum institutional grade point average for their current academic career (i.e., undergraduate or graduate). This is a grade point average of 2.5 for Undergraduate Students and 3.0 for Post-Baccalaureate or Graduate Students, for all hours earned: a. toward UCF classes (i.e., UCF Cumulative GPA), or b. at a previous educational institution, if the student is in their first semester (within their current academic career) at UCF.

A student leader must be in good academic and disciplinary standing, defined as not being on academic or disciplinary probation.

A student leader must be free of financial or disciplinary holds on University records. c. Upon notification of ineligibility, students have two (2) weeks to gain eligibility before removal from leadership position. Students who do not meet the above minimum requirements may submit a written appeal to the Eligibility Appeals Board through the Office of Student Involvement within 2 weeks from the first day of being alerted of their eligibility delinquency by the Office of Student Involvement. The appeal should address the causes for ineligibility and reasons for believing that the problems have been resolved. The Eligibility Appeals Board is made up of students (3) appointed by the Student Body President and faculty (1) and staff (2) appointed by the Director of the Office of Student Rights and Responsibilities. The board elects their chairperson, who votes only in case of a tie. The Eligibility Appeals Board shall resolve the issue within four weeks. The Eligibility Appeals Board is the deciding body that, upon hearing the appeal may waive the eligibility requirements for that semester. Students may only be granted one appeal per criterion every two
consecutive regular semesters (Fall and Spring).

The Eligibility Appeals Board may review the academic record of students in those positions of leadership or responsibility. The decisions of the Eligibility Appeals Board are final.

The Student Government Association has established eligibility requirements for selected positions within student government. These requirements and governing procedures are presented in their election and eligibility statutes, which are made available to any student upon request, as well as to all candidates filing for office.

(7) Faculty or Staff Advisor

All organizations shall have a contracted UCF employee, as defined by Human Resources, faculty or staff advisor in order to be considered for approval and registration. The advisor has no voting rights in organizational decisions. Additionally, a faculty or staff advisor is required in order to receive Student Government Association funding.

(8) Event Management

(a) Event Management for Registered Events

1 General Policy

a. This regulation applies to the holding of potentially hazardous events on university controlled property. Excepted from this regulation are official events which are scheduled annually in university publications (classes, orientation, registration, etc.).

b. The provisions of this regulation are in addition to the provisions of other University regulations and university policies related to campus events.

c. A potentially hazardous event is defined as any activity that could reasonably be expected to create a risk of harm to persons or of defacement or damage to public or private property. Examples of potentially hazardous events include, but are not
limited to: bonfires; lighting of fireworks; events involving helicopters or other aircraft; motor vehicle races; gatherings in excess of 400 persons, including unregistered campus athletic events; marches (including any organized walks or runs); parades; outdoor events involving animals; any event involving the distribution of alcohol; and any event on Memory Mall.

(b) Procedure

1. The Student Union Event Services office coordinates the event planning process for events for registered student organizations. Contracts, vending agreements, purchasing of items, and any other arrangements may be offered only after prior consultation with the Office of Student Involvement and/or the Activity and Service Fee Business Office. To schedule an event, a representative of a student organization must first schedule an event location and then complete a SAFE form which can be obtained through the Office of Student Involvement. The event will not be confirmed until the submission of the completed form to the Office of Student Involvement. All required signatures from special support services such as Police, Physical Plant, and Insurance must be completed to obtain approval for the event(s) to occur.

2. If the organization desiring to schedule an event does not complete a SAFE form fifteen (15) calendar days prior to the date of the scheduled event, the organization may be denied use of university facilities and may not be able to conduct the event. The form shall be signed by an officer of the student organization and the faculty/staff advisor.

a. Approval of Facilities for Events

i. A request by a registered student organization to schedule facilities will only be considered when handled through appropriate university channels.

ii. Requests from registered student organizations for the use of university facilities may be denied for the following reasons:
• Adequate or appropriate facilities are not available.
• Failure to comply with any of these procedures;
• Inadequate arrangements for presentation of the program, including finances;
• The proposed event constitutes a clear and present danger to the University by advocacy or promotion of disruptive conduct described by The Golden Rule; and/or
• Inadequate liability insurance.

Denial of approval for the use of university facilities may be appealed by the sponsoring organization upon written application to the Associate Vice President for Student Development and Enrollment Services or their designee.

3 Required Approvals
a. Except as otherwise provided in paragraph (1)(a) above, any organization, university department, employee, or student must secure approval in advance before conducting or publicly announcing intent to conduct a potentially hazardous event on campus. In the case of a university employee, signature of the individual’s supervisor is required in advance.

b. Applications for approval of a potentially hazardous event shall be made in writing to the Office of Student Involvement using the Safety Action for Event Approval Form, at least 15 calendar days in advance of the proposed event. For events that are anticipated to require additional time for departmental review (such as events where additional security will be required, where campus streets
will need to be closed, or where special arrangements will need to be made to protect university facilities), the university may require the applicant to initiate the SAFE Form approval process sooner. Failure to comply with the SAFE Form submittal deadline is grounds for the university to deny approval for the proposed event. Time limits can be shortened, by any University official required to approve the event (see below). The Environmental Health and Safety Office (EH&S), the Office of Student Involvement (OSI), or the UCF Police Department will, upon request, furnish the applicant with blank copies of this form. The form is also available at http://www.safe.sdes.ucf.edu.

c. Each application shall be accompanied by proof of insurance as specified in subsection (6) below. The applicant must deliver to the Office of Student Involvement a completed SAFE Form signed by (1) the faculty/staff advisor (if a student organization), an authorized department representative (if a university department or unit), the individual (if an individual), or the representative (if an organization other than a student organization); (2) Fraternity & Sorority Life (if a greek student organization); and (3) the facility/building coordinator (a person who has authority to approve an event at the event location as identified on the application). It is the applicant’s responsibility to monitor the progress of the form by contacting OSI staff prior to the event. OSI staff will circulate applications to the following University officials for their information and approval:

i. UCF Police Department
ii. UCF Landscape & Natural Resources
iii. Facilities Operations
iv. Environmental Health and Safety/Insurance
v. Office of Student Involvement
After the application has been circulated among the above University officials, the application will be returned to the Office of Student Involvement. The Office of Student Involvement or a designee will advise the applicant of the University’s approval or disapproval of the event, and, if applicable, any conditions.

4 Cancellations and Terminations

a. Application or approval for conducting a registered event may be cancelled without penalty by either the applicant or the university upon giving written notice to the other party.

b. Any event may be terminated at any stage by the University Police Department or any university official whose approval is required for the event if it is determined that the event is not being conducted strictly in accordance with the terms of the approved application, the event is or has become disruptive or unsafe, there are emergency circumstances, or the event is interfering with other events or with university operations. Additionally, an event may be terminated for failure to provide and maintain appropriate insurance.

5 Applicant’s Responsibilities

In addition to securing university approval to conduct the event, applicants shall be responsible for ensuring that:

a. The event is conducted as described in the approved application including any requirements thereon for clean-up, extra security, etc…

b. All restrictions placed on the event by the university are followed

c. The event does not become disruptive or unsafe

d. The event does not interfere with other events or university operations

e. All other procedures applicable to campus events are followed (i.e. no damage to property, displays of proper size, etc…).
6 University Assistance
If facilities and personnel are available, the University may be able to assist applicants by providing security, clean-up crews, etc., at cost. However, there is no assurance that such assistance will be available for any specific event.

7 Insurance Requirements
a. All potentially hazardous events must be covered by liability insurance in amounts appropriate for the event as determined by the University. The University may also require that the applicant make security arrangements for the event. The costs of such insurance or security shall be the responsibility of the applicant.

b. University departments acting as applicants shall contact the University’s insurance officer to determine if the current UCF liability coverage provides the required protection or if a special rider must be obtained. Cost of such rider shall be charged to the applying department’s account.

c. All other applicants must furnish at their own cost appropriate proof of adequate insurance from a surety firm licensed to do business in the State of Florida by the Florida Department of Insurance.

(c) Responsibility
The sponsoring organization is responsible for implementation of this procedure.

1 Loud Speakers and Sound Equipment
Active registered organizations must secure in writing permission to use amplified sound on the Orlando campus (including Research Pavilion) for the purpose of engaging in any activity to benefit either their own organization directly or a program that their organization may sponsor, as follows:

a. Student Union and inside the Pegasus Circle - Director of the Student Union or designee (see Student Union Amplified Sound Policy);

b. Outdoor area immediately adjacent to any building—officially
designated building manager for that facility;

c. Other outdoor open spaces on the campus - designated sponsors, i.e., Lake Claire - Director of the Recreation and Wellness Center;
d. Inside any building - officially designated building manager for that facility.
e. Permission by active registered student organizations to use any space on each regional campus or its host institution’s campus for the purpose of such fundraising must be secured in writing in advance from the Director of Campus Life on each regional campus. All registered student events must be in compliance with local, state, and federal law.

2 Admission Fees

Student organizations wishing to charge admission to an event should receive prior approval from the Office of Student Involvement. No admission fees may be charged to students for activity and service fee funded events pursuant to applicable Florida statutes.

3 Contracts

No student is permitted to represent the University as a signatory on contracts.

4 Student Organization Contests, Campaigns, or Petitions

Any student organization sponsoring a fundraising campaign, contest, competition or petition must register with the Office of Student Involvement. This does not pertain to Student Government Association elections.

(9) Campus Demonstrations and Other Outdoor Events

(a) Subject to the limitations of this and related regulations, University grounds may be used for demonstrations and other exercises of free speech and assembly by University and University-related organizations. Such use must be on a noninterference basis with the conduct of classes or other normal activities of the University and must not infringe on the rights of other members of the University community. All general requirements for use of the University buildings and grounds set forth in University regulations UCF-4.029, UCF-4.0292, UCF-4.0293,
UCF-4.0294apply to uses of University grounds under this regulation.

(b) No campus buildings, other indoor facilities, or athletic or recreational facilities may be used for demonstrations or assemblies unless specifically permitted in writing by the campus authority specifically responsible for the building or facility.

(c) University organizations and University-related organizations may organize, conduct, or participate in demonstrations and other exercises of free speech and assembly on University grounds, except:

1. Grounds immediately adjacent to University residential facilities;
2. Grounds associated with the Burnett House;
3. Athletic and recreational fields, including any facilities operated by the recreation and Wellness Center;
