

Meeting Called to Order: 2:04 PM

## Chair Reports

### Outreach

- Outreached to IFC and Greek Council.
- Graphic in the makes - for outreach to GRRC and how to submit proposals with QR code to link to the website.

### Old Business

- Synthetic Drug Research
  - Liked term 'mind altering' from University of Florida's Rules of Conduct
    - Recklessly or intentionally inhaling/ingesting
  - Researched 2008-2009 Golden Rule Controlled Substance Violations
    - Had been changed to allow those who look at our records after a violation to better understand what the violation was – proposed by students.
  - 10. Change "Controlled Substance" to "Drug Violations"
  - 10.c. change to: Unlawful possession of other drugs.
  - 10.d. change to: Unlawful distribution of cannabis and other drugs.
  - 10.e. change to: Misconduct under the influence of mind-altering substances, with the exception of alcohol.
  - Definitions: The term drug refers to controlled or other substances with the intent of altering one's mental state.
    - Possible change from "intent" to "effect"
    - Committee will table until a better term is found or can agree on one of the above.

### New Business

- All will continue to review Code of Conduct section of Golden Rule.

Meeting Adjourned: 2:59 PM
