

Meeting Called to Order: 2:02 PM

Chair Reports

Advisor

- New advisor: Nick Oleksy will replace Ann Marie Palmer.

Chair

- For Outreach Chairs: need dates for flyer printing and graphics to be published.
- Chalking: nothing has been written in Golden Rule handbook prohibiting this, can be proposed.
- In case of absence of committee members, please give advanced notice.

Research

- Greek outreach – met with IFC and Councils 2 weeks ago
 - Informed members of AEP, but would also like to contact Presidents (possibly Risk Managers) - contact information is listed on FSL website – discuss Standards of Excellence.
- Will be putting in graphic request to promote GRRC.

Old Business

- Defining "drugs"
 - Possible definition: "A substance that effects the central nervous system causing changes in behavior or any other physiological effect."
 - Potential language: "Inappropriate use"
 - Proposed: "Misconduct due to the inappropriate use of any drug, with the exception of alcohol."
 - Committee would like to keep "with the exception of alcohol" because "drugs" definition would include alcohol – this clarifies that student will not be charged with 2 violations (10.e. and 11.c.) for same act.
 - 10a&b. Nick will be providing rationale to possibly change to combine these.
- 50 year celebration
 - Guidelines: Short, nothing too elaborate.
 - Michael, Nick & Elizabeth will get original book through Patricia MacKown and/or visit archives

New Business

- Code of Conduct section
 - Will discuss Student Conduct Appeals (p.29-31)
